Power in Weakness Martin Edward Wooten, 1996 **The Wisdom of the Cross and the Power of the Spirit in the Corinthian Church** Cletus L. Hull, 2018-10-18 The cross of Christ crucified symbolized the central theme of Paul's ministry In his letter to the Corinthians the apostle commenced his correspondence with the message about the cross and power of God 1 Cor 1:18 NRSV The proposal for this paper utilizes the method *analogia scripturae* Set within the wisdom motif of the Greco Roman world this study is dedicated to the examination of the apostle's Christology in the context of 1 Cor 1:18-25 and the pneumatology in 1 Cor 2:9-16 as both pericopes are juxtaposed in his epistle Essentially the thesis concerns the grounding of the pneumatology of Paul with his Christology in 1 Corinthians The Corinthian church required clarification and pastoral wisdom with their pneumatic experiences thus Paul recognized that a strong theology of the cross complemented their encounters with the Spirit The question for biblical studies involves a lively tension of the pneumatology of the Spirit with a robust Christology Because the power of God throughout this passage has the cross as its paradigm the structure of the book leads to the significance of the apostle's pneumatological contribution of the cross and Christ crucified 1 Cor 1:18-2:2 For this reason a strong Christology must ground the pneumatology of the Pauline corpus This study in biblical literature commences a new discussion in ecumenical dialogue between pneumatic experiences in the church and christological issues in Scripture

*Practices of Power* Robert Ewusie Moses, 2014 The conception of powers and principalities in Paul's thought

has been amply explored but how did the powers work in the Pauline community Robert Ewusie Moses argues that Paul's conception of the powers is best understood through examining the practices he advocates for the early believers In this detailed study Moses shows that Paul believed certain practices guarded believers from the dominion of the powers while others exposed humans to the work of powers of darkness Moses traces the distinct function of power practices in each of Paul's letters and draws illuminating comparisons with traditional African religious practices Holman New Testament Commentary - 1 & 2 Corinthians Richard L., Jr. Pratt, 2000-10-15 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike

**The Meaning of the Warmed Heart** Donald English, 1987 Everyone knows that Jesus had twelve extraordinary disciples but Donald English introduces us to thirteen extraordinary and inspiring disciples like you and me in Bible studies from the Gospels and Acts For each disciple Dr English writes directly to the lay person and answers simple questions about character and behavior about how the person became a disciple and about the insights into our conversion which emerge from the story Some stories are related to Wesley's experience of the warmed heart at Aldersgate while other studies feature the experiences of other Methodists in history

**The first (second) Epistle to the Corinthians, with notes [&c.] by J.J. Lias** John James Lias, 1892

**The Broadman Bible Commentary: 2 Corinthians. Galatians. Ephesians. Philippians. Colossians. 1-2 Thessalonians. 1-2 Timothy. Titus. Philemon** Clifton Judson Allen, 1969

**A Catholic Commentary on Holy Scripture** Bernard Orchard, 1953

**Pauline Theology** Jouette M. Bassler, David M. Hay, E. Elizabeth Johnson, 1991

*Practising Weakness* Ruth Sheldon, 2025 Ministers today are often put on a pedestal and expected to perform flawlessly but for the Apostle Paul it was within weakness that God was most powerfully present and at work This book explores the significance of the theme of power in weakness as expounded in 2 Corinthians offering reflections on ministry today after the example of Paul
