Messianic Judaism:

Messianic Judaism is Not Christianity Stan Telchin, 2004-09-01 The apostle Paul wrote that all believers Jewish and Gentile are to serve the Lord together as one new man But a growing movement today seeks to keep that from happening As Stan Telchin explains proponents of Messianic Judaism are confusing both Jewish and Gentile followers of Jesus and dividing the church Their insistence on following rabbinic form and their statements that Jewish believers need to be in Messianic synagogues in order to maintain their identities are unbiblical Telchin discusses the growth of this movement its unscriptural doctrines and its ineffectiveness in Jewish evangelism Those who have been swept up by the nostalgia and beauty of Jewishness or who have been hurt by division in the Body or who love Israel will find their hearts and minds freed by this firm but loving message

Messianic Judaism, Its History, Theology, and Polity David A. Rausch, 1982 Seeking to explain the enigma of Messianic Judaism in North America this work deals with issues of persecution misrepresentation and defamation by both Jewish and Christian groups against Messianic Jews The text considers several aspects of Messianic Judaism including its attempt to explode the ancient walls erected by Jews and Christians toward one another its search for renewal of the Jewish roots of the body of Christ and its efforts to express biblical faith and Messianic living in a contemporary Jewish dress

Our Bible Too Jeffrey W. Dandoy, 2021-04-02 God grabbed hold of a Presbyterian pastor to take him to the religion of Messianic Jews What follows is a mystery story that reveals answers to the dilemmas in a problematic faith In traditional rabbinic Judaism it is blasphemy and in church doctrine it is heresy But as a third biblical religion with its own soteriology it is neither false nor mistaken Untying the knot of contradictions in Messianic Judaism sheds light on the eminence of Judaism and the chauvinism of Christianity It turns familiar assumptions upside down with a monotheistic hermeneutic for reading the New Testament and an inclusive soteriology unfolding the revelation of God's new idea It is new wine that invites believers to a deeper devotion through reexamination of fundamental truths The majority of Messianic congregations share many of the beliefs and teachings of evangelical Protestantism a choice that has not achieved the goals of the Messianic movement because the contradiction in the evangelical assumption is real Explore the alternative truths of radical monotheism through the eyes of a gentile convert from the church who learned to read the Bible with new eyes and met Yeshua Jesus again for the first time
