Metafours For Mysophobes:

Approaches to Discourses of Marriage Laura L. Paterson, Georgina Turner, 2023-09-26 How do people talk about marriage Who gets to do the talking When why where and how do these things change From the experiences of women forced to marry as children to those of older women who never married from investigations of cross border marriage applications to Christian pastors sermons on divorce from oppositional media discussions of same sex marriage to pro marriage equality protest signs this collection presents research from across the globe addressing the often shifting context specific ways that we talk about marriage Developed from the work of the UK based Discourses of Marriage Research Group and a two day conference drawing together scholars interested in talk of marriage and related topics this interdisciplinary volume brings together linguists psychologists and film makers and draws on data from the UK Germany Taiwan the US Belgium and Turkey It is intended both as a survey of some contemporary trends in research on marriage and as a foundation for further research The chapters in this book except for chapters 1 and 7 were originally published as a special issue of the journal Critical Discourse Studies This volume comes with a new introduction *Politicizing Sex in Contemporary Africa* Ashley Currier, 2019 This timely account of politicized homophobia contests portrayals of the African continent as hopelessly homophobic highlighting how elites deploy it

The Oxford Handbook of Language and Social Psychology Thomas Holtgraves, 2014 The Oxford Handbook of Language and Social Psychology is a unique and innovative compilation of research that lies at the intersection of language and social psychology Contributors address the role of social processes in language the linguistic underpinnings of social psychological processes the creation of meaning and the important role played by language and social psychology in applied topics

Animal Oppression and Capitalism David Nibert, 2017-09-08 This important two volume set unapologetically documents how capitalism results in the oppression of animals ranging from fish and chickens to dogs elephants and kangaroos as well as in environmental destruction vital resource depletion and climate change Most traditional narratives portray humanity's use of other animals as natural and necessary for human social development and present the idea that capitalism is generally a positive force in the world But is this worldview accurate or just a convenient easy to accept way to ignore what is really happening a systematic oppression of animals that simultaneously results in environmental destruction and places insurmountable obstacles in the path to a sustainable and peaceful future David Nibert's *Animal Oppression and Capitalism* is a timely two volume set that calls into question the capitalist system at a point in human history when inequality and the imbalance in the distribution of wealth are growing domestically and internationally Expert contributors show why the oppression of animals particularly the use of other animals as food is increasingly being linked to unfavorable climate change and the depletion of fresh water and other vital resources Readers will also learn about the tragic connections between the production of animal products and global hunger and expanded regional violence and warfare and they will understand how many common human health problems

including heart attacks strokes and various forms of cancer develop as a result of consuming animal products *Gender Identity and Defensive Styles in Homophobic Heterosexual Males* Ruth Ellen Euchner,2002 *Bodies and Biases* David William Foster,Roberto Reis,1996 *"After Patriarchy"* Yu Zou,2000 *AIDS as an Apocalyptic Metaphor in North America* Susan J. Palmer,1997 In a single decade AIDS has grown to pandemic proportions The combined forces of medical research and public education have thus far failed to halt the spread of the disease which remains mysterious stigmatizing and fatal In this highly original study Susan Palmer explores the healing practices metaphors and apocalyptic fantasies of various religious racial and sexual minority groups as they respond to the AIDS threat Palmer looks at the response to AIDS by specific groups as diverse as white and black identity movements gay spirituality circles communal and millenarian cults and sci fi and horror films Her study reveals a proliferation of AIDS metaphors that refer variously to medieval plagues social disorder decline of the nuclear family and supernatural powers She argues that the human body tends to become a symbol that mirrors the social body and she finds this process especially dramatic in persecuted marginal groups Well known as a researcher and writer on new religious movements in Europe and North America Susan Palmer brings experience and insight to this study of the metaphors surrounding alternative spirituality and sexuality **Symbols and Metaphors of AIDS Education Posters** Rebecca Lynn Maksel,1995 *The Chiasmic Bind* Leslie Kirk Wright,1992 *The Sexual Metaphor* Helen Weinreich-Haste,1993 Argues that polarity is a major metaphor of western thought so that as long as masculinity is defined by one pole femininity is defined by its negation To challenge traditional conceptions of gender is to challenge the deeply rooted metaphors and models of control that underlie western culture **The Material Queer** Donald Morton,1996-06-20 The Material Queer is an innovative anthology that offers a materialist understanding of marginal sexualities by accounting for the full range of classic and contemporary views It breaks with the classic tradition in lesbian and gay studies and also with ludic post modern theory by insisting on the embeddedness of gender and sexuality in the social division of labor **The Dictionary of Homophobia** Louis-Georges Tin,2008 Based on the work of seventy researchers in fifteen countries The Dictionary of Homophobia is a mammoth encyclopedic book that documents the history of homosexuality and various cultural responses to it in all regions of the world a masterful engaged and wholly relevant study that traces the political and social emancipation of a culture The book is the first English translation of Dictionnaire de L Homophobie published in France in 2003 to world wide acclaim The Dictionary includes over 175 essays on various aspects of gay rights and homophobia as experienced in all regions in Africa the Americas Asia Europe and the South Pacific from the earliest epochs to present day Subjects include religious and ideological forces such as the Bible Communism Judaism Hinduism and Islam historical events such as AIDS and Stonewall personalities such as J Edgar Hoover Matthew Shepard Oscar Wilde Pat Buchanan Joseph McCarthy Pope John Paul II and Anita Bryant and other topics such as coming out adoption deportation ex gays lesbiphobia and bi phobia In a country where gay marriage while legalized remains a hot button political

issue and in a world where adults and even teens are still being executed by authorities for the crime of homosexuality The Dictionary of Homophobia is a both a revealing and necessary history lesson for us all AIDS and Intravenous Drug Use M. Daniel Fernando,1993-06-21 The name AIDS is an accusation It implies punishment for sin homosexuality and promiscuity AIDS is a moral judgement masquerading as a scientific name which is at the very heart of discrimination against the infected At the bottom are drug users victims of the War On Drugs condemned to contract AIDS by using contaminated syringes necessitated by scarcity resulting from restrictive policies A rational way to control HIV is to liberalize drug paraphernalia policies as in Europe The U S has not taken this simple step thus unleashing the AIDS epidemic among drug users their sexual partners and neonates While this policy neglect can be understood in the context of AIDS prevention dominated by moral political and religious ideologies rather than epidemiological facts there are critical racial implications The ethnic divide separating the white researchers and the infected who belong to minorities has fuelled comparisons of AIDS with the infamous Tuskegee Syphilis Study and some preventive strategies have been called genocidal plots Recent research indicating the ineffectiveness of bleach to disinfect paraphernalia has exposed the deadly consequences of a nonchalant attitude to research and compromises for political expediency **Paroles Gelées** ,1991 Performing Identities on the Stages of Quebec Jill R. Mac Dougall,1997 Pivoting on three productions from the national local and international stages MacDougal theatre and acting Pennsylvania State U explores the stage as a metaphor of virtual communities and performances as a privileged moment of collective identity rituals The plays are Saint Jean about the national holiday the street parody of genealogy Salut vieille branch and Tectonic Plates a bicontinental work in progress Annotation copyright by Book News Inc Portland OR *Homophobia* Suzanne Pharr,1997 **Imps of the Perverse** Michael Saunders,1998-07-30 This text examines the uses and consequences of the cinematic trope of the homosexual as monster It focuses on film makers who use this in a way that subverts traditional cinema showing gay people a way to claim power from being thought of outcasts Critical Matrix ,2001 *Journal of the Institute of Romance Studies* ,1998
