Essays in Honor of Michael J. Tigaroff

Edited by Todd A. Salzmann

# Method And Catholic Moral Theology

**Curran, Charles E.**

## **Method And Catholic Moral Theology:**

*Method and Catholic Moral Theology* Todd A. Salzman, 1999 This work is an investigation of the ongoing methodical reconstruction of Catholic moral theology. As such it is based on and honors the work of Norbert Rigali S J one of the most important contributors to this reconstruction. The decisive break from the traditional manual approach to moral theology represented by Vatican II reoriented moral theology away from universal natural law morality based on the commandments to a morality based on specifically Christian sources. This reorientation however was not an either or but a both and proposition. Father Norbert Rigali S J has been an inspiration and a challenge to moral theologians working toward reconstruction. The essays in this collection address four questions in the renewal movement: an investigation of normative methods, a clarification of sources, an investigation of the tension between natural law morality and Christian ethics, and/or morality and a combination of methodical insights of philosophy with traditional Christian sources in their investigation of biomedical ethical issues. The contributors to the collection include Richard M Gula S S, Joseph A Selling, Bernard Hoose, Mark O Keefe O S B, James F Keenan S J, Edward Collins, Vacek S J, Charles E Curran, James J Walter, Todd A Salzman, Jean Porter, Lisa Sowle Cahill and Richard A McCormick S J. *Catholic Moral Theology and Social Ethics* Christina Astorga, 2013-12-01 Proposing a new method for moral theology Christina Astorga seeks to recast our understanding of the discipline by drawing from the faith vision of the entire theological enterprise including scripture, dogmatic theology, social ethics and spirituality.

**Virtue and Theological Ethics** Salzman; Todd A., Lawler, Michael G., 2018-10-18 Eight story reflections each based on a different Beatitude offer accounts of immigrant children who fled Central America on their own to escape violence and poverty. Artwork created by immigrant youth and meditations written by Jesuit Father Leo O Donovan accompany the stories.

**Method and Catholic Moral Theology**, 1999    **What are They Saying about Catholic Ethical Method?** Todd A. Salzman, 2003 This book introduces readers to the current debate concerning the two predominant Roman Catholic ethical methods that have emerged since Vatican II. The two methods investigated are both grounded in the Catholic natural law tradition and are designated as the Basic Goods Theory (BGT) also known as the New Natural Law Theory and revisionism. **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved    [Reframing Catholic Theological Ethics](#) Joseph A. Selling, 2016-03-24 Traditionally Catholic moral theology has been based upon an approach that over emphasized the role of normative ethics and subsequently associated moral responsibility with following or disobeying moral rules. Reframing Catholic Theological Ethics offers an alternative ethical method which without destroying any of the valuable insights of normative ethics reorients the discipline to consider human motivation and intention before investigating behavioural options for realizing one's end. Evidence from the New Testament warrants the formation of a teleological method for theological ethics which is further elaborated in the approach taken by Thomas Aquinas. Unfortunately the insights of the latter were misinterpreted at the time of the counter reformation. Joseph A Selling's analysis of moral

theological textbooks demonstrates the entrenchment of a normative method aimed at identifying sins in service to the practice of sacramental confession. With a firm basis in the teaching of Vatican II the human person integrally and adequately considered provides the fundamental criterion for approaching ethical issues in the contemporary world. The perspective then turns to the crucial question of describing the ends or goals of ethical living by providing a fresh approach to the concept of virtue. Selling concludes with suggestions about how to combine normative ethics with this alternative method in theological ethics that begins with the actual ethical orientation of the human person toward virtuous living. *The Living Tradition of Catholic Moral Theology* Charles E. Curran, 1992 Catholic moral theology is a living tradition in which each generation must understand appropriate and live the Christian message in the light of its own history culture and time. The Catholic tradition argues Charles E. Curran in this new meticulously reasoned set of essays must be in dialogue with present realities sometimes criticizing them severely and at other times learning from them. Curran begins by examining the tensions existing in the Roman Catholic church today and suggests why they are more severe than they should be. He argues that official Catholic social teaching in sexual areas and Catholic ecclesiology have not incorporated a moral theology based on creative fidelity. He calls for a change in official sexual teaching ecclesiology and the exercise of the hierarchical magisterium on the basis of the methodological approaches found in contemporary official Catholic teaching. Richard A. McCormick Curran suggests is one contemporary Catholic moral theologian who successfully illustrates creative fidelity by employing the casuistic method of the Jesuit tradition in moral theology to evaluate the changing problems of our contemporary life. Curran discusses perennial issues in moral theology that take on crucial importance in the changing realities of our contemporary existence the relationship between Christian and human morality divine providence and human responsibility academic freedom and military force. Throughout the volume while fully aware that the Roman Catholic church and moral theology will always know and experience the tensions of creative fidelity Curran challenges himself and his readers to make certain that these tensions contribute to the ongoing life of the church. **The Catholic Moral Tradition Today** Charles E.

Curran, 1999-04-05 The Catholic tradition has always tried to explain its theology in a coherent and systematic way but the great changes and tensions existing within Catholic moral theology today have made it difficult to develop systematic approaches to what was once called fundamental moral theology. Now a leading scholar active in this field for forty years offers a synthesis of Catholic moral theology set in the context of the broader Catholic tradition and the significant developments that have occurred since the Second Vatican Council. Charles E. Curran's succinct coherent account of his wide ranging work in Catholic moral theology points out agreements disagreements and changes in significant aspects of the Catholic moral tradition. His systematic approach explores major topics in a logical development the ecclesiological foundation and stance of moral theology the person as moral subject and agent virtues principles and norms conscience and decision making and the role of the church as a teacher of morality. Curran's work condenses and organizes a large amount of

material to show that the Catholic theological tradition is in dialogue with contemporary life and thought while remaining conscious of its rich history Of great interest to theologians for its broad synthetic scope this book is also a thorough introduction to the Catholic moral tradition for students and interested readers including non Catholics [Moral Theology of John Paul II](#) Charles E. Curran,2006-01-01 Provides a systematic analysis of the moral theology that underlies Pope John Paul II moral teachings and its astonishing influence This book focuses on the authoritative statements specifically the fourteen papal encyclicals the pope has written to examine how well the pope has addressed the broad issues and problems in the Church [Shaping the Moral Life](#) Klaus Demmer,2000-10-27 Although he is one of the most influential Catholic theologians in Europe very few of Klaus Demmer s writings are available in English This translation of his well known work on moral theology introduces Demmer s thought to English speaking audiences In an original synthesis of scholastic and continental philosophy Demmer brings the Catholic moral tradition into conversation with contemporary philosophical schools transcendental hermeneutical and analytical to fashion a moral theology in the spirit of the Second Vatican Council He shows the richness of the neoscholastic tradition in shaping and being shaped by our contemporary self understanding A complete bibliography of Demmer s works will assist readers in seeking out more of his writings **Methods in Medical Ethics** Jeremy Sugarman,Daniel P. Sulmasy,2001 Medical ethics draws upon methods from a wide array of disciplines including anthropology economics epidemiology health services research history law medicine nursing philosophy psychology sociology and theology In this first book to systematically examine critique and challenge some of these disciplines and their methods in light of their influence on medical ethics leading scholars present particular methods that have played significant roles in the field The methods addressed include philosophy religion and theology professional codes law casuistry history qualitative research ethnography quantitative surveys experimental methods and economics and decision science Reviewing each they provide descriptions of techniques critiques and notes on resources and training Physician assisted suicide and euthanasia are used as an illustration of the richness of multidisciplinary work applied to individual issues Similarly genetic testing is used as an example of how multiple descriptive methods may privilege certain findings Methods in Medical Ethics is a valuable resource for scholars teachers editors and students in any of the disciplines that have contributed to the field As a textbook and reference for graduate students and scholars in medical ethics it offers a rich understanding of the complexities of both moral questions and their answers [Religious Methods and Resources in Bioethics](#) P.F. Camenisch,2013-03-09 A volume on religious theological methods in biomedical ethics inevitably of whether the methodological dimension can be distin raises the question guished from the various other things that go on in ethical discourse It is difficult to answer this question definitively since many elements in moral conversation can be interpreted in different ways Barbara Hilkert Andolsen illustrates this issue in this volume when she defines one of her crucial cate gories gender justice as being both procedural and substantive normative This difficulty of finally separating the methodological

from the normative arises in many areas of contemporary ethical writing both feminist and otherwise Nevertheless it seems that in many cases we can separate out the methodological issues with considerable precision Albert Jonsen and James Childress achieve just such a sharp focus in their essays This does not mean that a careful dissecting of their papers would not reveal normative elements lurking about their methodological points It is simply to say that the issues they analyze and the positions they take are at least *prima facie* overwhelmingly methodological They are much more about how we think about ethical matters than they are about what we think about them

*Contemporary Catholic Health Care Ethics* David F. Kelly, 2004-10-28 As David Kelly writes Catholic moral theology has not been completely constant over the centuries it has learned and developed In *Contemporary Catholic Health Care Ethics* he demonstrates how Catholic health care ethics can and should evolve similarly in response to the lightning speed of modern medical advances Kelly draws on and analyzes the Catholic tradition of medical ethics but he does not shy away from criticizing it as well giving health care professionals hospital ethics committees and students a fresh treatment of Catholic health care ethics emphasizing theology methodology and application First discussing the Catholic understanding of the human person Kelly proposes a Catholic Christian approach to the meaning of human life as it applies specifically to health care He includes a brief history of the relationship between religion and medicine and makes strong claims about how theology ought and ought not to be applied in health care ethics Drawing from the terminology and approaches used by secular bioethics he suggests how a Catholic perspective on health care can utilize certain secular moral philosophical positions even as they apply to the issues of birth control and end of life concerns As practitioners patients and families face the difficult decision to continue or stop treatment for dying patients Kelly compassionately but practically explores their concerns in light of American law and ethics Finally he provides measured insight on pain management hospital ethics committees stem cell research genetic engineering and allocation of health care resources *Contemporary Catholic Health Care Ethics* is informed challenging articulate and bold bringing to the extremely important field of Catholic health care ethics a much needed and welcome voice unafraid to speak to the most difficult issues of the 21st century

*Sixty Years of Moral Theology* Curran, Charles E., 2020 Following the model of the previous volumes Charles Curran has gathered here fourteen articles relating to three areas in moral theology I Vatican II and Its Aftermath II Humane Vitae and Its Aftermath III Subsequent Developments

Tradition and Church Reform Curran, Charles E., 2016-02-09

**Toward an American Catholic Moral Theology** Charles E. Curran, 1987 A collection of previously published essays Includes index Table of Contents Moral theology looks at itself The historical development of moral theology Moral theology in the United States What is distinctive and unique about Christian ethics and Christian morality Moral theology in dialogue with biomedicine and bioethics Moral theology looks at our society Just taxation in the Roman Catholic tradition Filial responsibility for an elderly parent Religious freedom and human rights in the world and in the church An analysis of the United States bishops pastoral letter on the economy The difference between personal morality

and public policy    *Journal of Moral Theology, Volume 1, Number 1* David M. Cloutier, William C. Mattison, 2013-12-09

### **Method And Catholic Moral Theology Introduction**

Method And Catholic Moral Theology Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Method And Catholic Moral Theology Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Method And Catholic Moral Theology : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Method And Catholic Moral Theology : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Method And Catholic Moral Theology Offers a diverse range of free eBooks across various genres. Method And Catholic Moral Theology Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Method And Catholic Moral Theology Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Method And Catholic Moral Theology, especially related to Method And Catholic Moral Theology, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Method And Catholic Moral Theology, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Method And Catholic Moral Theology books or magazines might include. Look for these in online stores or libraries. Remember that while Method And Catholic Moral Theology, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Method And Catholic Moral Theology eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Method And Catholic Moral Theology full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based

---

access to a wide range of Method And Catholic Moral Theology eBooks, including some popular titles.

## FAQs About Method And Catholic Moral Theology Books

**What is a Method And Catholic Moral Theology PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

**How do I create a Method And Catholic Moral Theology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

**How do I edit a Method And Catholic Moral Theology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

**How do I convert a Method And Catholic Moral Theology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc.

Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

**How do I password-protect a Method And Catholic Moral Theology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as:

LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

**How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download.

**Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions.

Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
