Children's Books on Ancient Greek and Roman Mythology Antoine Brazouski, Mary J. Klatt, 1993-11-23 The classical heritage continues to impact modern culture in many ways. This bibliography lists and describes those books on Greek and Roman mythology from the mid 19th century to the present which are useful for introducing children to the classical world. The volume begins with a brief history of children's books on classical mythology in the United States. The annotated bibliography follows with each entry including a critical annotation on how closely the work adheres to the original myth.
