## Global Trend Vampire Romance:

*The Cambridge Companion to 'Dracula'* Roger Luckhurst, 2018 This celebrated Gothic novel is explored through essays providing critical historical anthropological philosophical and intellectual contexts that serve to further the understanding and appreciation of Dracula in all its many guises Together the essays offer exciting new critical approaches to the most famous vampire in literature and film Unbecoming Female Monsters Cristina Santos, 2016-12-07 Unbecoming Female Monsters Witches Vampires and Virgins is a multi cultural and interdisciplinary work that traces the construct of female monsters as an embodiment of socio cultural fears of female sexuality and reproductive powers This book examines the female sexual maturation cycle and the various archetypes of female monsters associated with each stage of sexual development as seen in literature art film television and popular culture Recommended for scholars of Latin American studies literature cultural studies women and gender studies popular culture and film studies Vanity Fair, 2009 **The Encyclopedia of the Gothic, 2 Volume Set** William Hughes, David Punter, Andrew Smith, 2015-12-21 THE ENCYCLOPEDIA OF THE GOTHIC Well written and interesting it is a testament to the breadth and depth of knowledge about its central subject among the more than 130 contributing writers and also among the three editors each of whom is a significant figure in the field of gothic studies A reference work that is firmly rooted in and actively devoted to expressing the current state of academic scholarship about its area New York Journal of Books A substantial achievement Reference Reviews Comprehensive and wide ranging The Encyclopedia of the Gothic brings together over 200 newly commissioned essays by leading scholars writing on all aspects of the Gothic as it is currently taught and researched along with challenging insights into the development of the genre and its impact on contemporary culture The A Z entries provide comprehensive coverage of relevant authors national traditions critical developments and notable texts that continue to define shape and inform the genre The volume's approach is truly interdisciplinary with essays by specialist international contributors whose expertise extends beyond Gothic literature to film music drama art and architecture From Angels and American Gothic to Wilde and Witchcraft The Encyclopedia of the Gothic is the definitive reference guide to all aspects of this strange and wondrous genre The Wiley Blackwell Encyclopedia of Literature is a comprehensive scholarly authoritative and critical overview of literature and theory comprising individual titles covering key literary genres periods and sub disciplines Available both in print and online this groundbreaking resource provides students teachers and researchers with cutting edge scholarship in literature and literary studies Irish Children and Teenagers in a Changing World David Hardiman, Pat O'Connor, 2008-10-15 This book provides an engaging and informative insight into the experiences dreams and hopes of children and teenagers in contemporary Ireland O'Connor analyzes a unique data set a random sample of 4 100 texts drawn from roughly 34 000 texts written by young people aged 10 12 years and 14 17 years in response to a nationwide invitation to describe themselves and the Ireland they inhabit The young people's voices give the book a vivid reality which is illuminated by the application of

sociological concepts including global and local individualization and ways of doing boy girl The study leads us towards a better understanding of contemporary social problems by locating these young people s accounts within the broader context of cultural change where collective identities have become weaker where the local is enmeshed with the global where children anticipate a predictable future and teenagers focus on an extended present where gender is no longer salient but yet in many ways remains a submerged framework mapping their life styles life choices and relationships Written in an accessible style the book presents a picture that is sometimes challenging sometimes reassuring but always informative Containing extensive quotations it will be of interest not only to students and lecturers in sociology education child and youth studies Irish studies and psychology but to thoughtful parents and teachers at first and second level and especially those whose students took part in the Write Hear Write Now project
