Overcoming Communication Barriers In The Church:

Overcoming Communication Barriers in the Church H. Wayland Cummings,Charles Somervill,1981 *Overcoming Barriers to Church Growth* Michael Fletcher,2009-08-01 Passionate about church growth Michael Fletcher understands the obstacles pastors and church leaders face as they reach 100 200 and 700 800 member barriers In clear language he lays out practical steps churches can follow to achieve the growth they desire His strategies have proved effective not only in his church which has grown dramatically but also in the churches of Grace Churches International a worldwide network of 315 plus churches that he leads

Training Missionaries Evelyn Hibbert,Richard Hibbert,2016-09-08 Missionaries must know God be able to relate well to other people understand and engage with another culture and be able to use the Bible in a way that informs all aspects of their lives and ministries Missionary training must address each of these areas if it is to help Christians to be effective in taking the gospel to the ends of the earth Effective training has been shown to prevent people from prematurely leaving the field It also reduces the danger of cross cultural workers uncritically exporting culturally bound forms of Christianity This book details four key areas that every missionary training program whatever its context must focus on developing It shows how these can be holistically addressed in a learning community where trainers and trainees engage in cross cultural ministry together

Christian Communication ,1989-09-26 The rise of the fundamental religious broadcasters in the United States has triggered an intense popular interest in mediated Christianity and prompted the traditional churches to reexamine their own policies toward mass communication The ensuing dramatic increase in the number of studies on the subject has prompted a corresponding need for a comprehensive index of valuable materials Christian Communication is the first wide ranging annotated bibliography of available books articles theses and dissertations in English French German Spanish and Italian that deals with all forms and aspects of Christian communication even comic books and the computer The bibliographies for this collection were drawn from several sources including the Library of Congress several important computerized databases manual searches of such institutions as the Billy Graham Center and the Graduate Theological Union among others and references in dissertations Most importantly only accessible items which could be checked and reviewed by Soukup and his research staff have been included here The volume is arranged to maximize ease of access and use and is based on the general academic division of communication studies The first chapter contains an introduction cross referenced to the bibliographies that reviews the history of church communication the major issues that characterize it and suggests possibilities for future study Next a resource chapter lists periodicals which address specific areas of religious communication or frequently published articles of interest cites bibliographic guides to the material and surveys directories of both personnel working in the field of Christian communication and of catalogs of relevant materials The following seven chapters contain the major bibliographical sections that review communication theory history rhetoric interpersonal communication mass communication intercultural communication and other media The volume

closes with helpful name title and subject indexes that make this guide thoroughly user friendly and an important research tool for church communicators theological students and communications scholars working in philosophical or qualitative areas **Planning Growth in Your Church** Duncan McIntosh, Richard E. Rusbuldt, 1983 This practical manual provides the most complete information available for developing and implementing a successful growth program with purposeful ministry

Managing Communication in Organizations H. Wayland Cummings, Larry W. Long, Michael L. Lewis, 1987
