Excerpt from Index Terms to the Oxford System of Decimal Classification for Forestry Cumulated Alphabetic Index to Part One Forestry Containing Terms for Classes 100 Factors of the Environment 200 Silviculture 400 Forest Injuries and Protection 500 Mensuration 600 Management and Economics 900 Forestry in the National Context As described further in 1 September 1963 para II the terms were generated after examination of many thousands of literature citations classified with the Oxford System by the Centralized Title Service at the Commonwealth Forestry Bureau Oxford England These terms represent an analysis of information specifics which were found under each classification number They are raw material

because they are chosen to allow for later editing or recasting to the requirements of differing types of information systems. For instance they can be turned into a Thesaurus or atomized as a list of coordinated descriptors or used simply as an Americanized index to the Oxford System which is full of Britishisms.
