Emotional Intelligence For Beginners:

Emotional Intelligence for Beginners K. L. Hammond, 2018-01-23 Did you know that your IQ is only a tiny portion of your overall intelligence and that it doesn't necessarily indicate how successful you will be in life? If that's true, what is the most reliable indicator for the level of success you'll experience? Emotional intelligence, also known as EQ. In *Emotional Intelligence: Emotional Intelligence for Beginners*, you will learn what is emotional intelligence. In the introduction and throughout the book, we'll focus on giving you a comprehensive definition of this term and show you how it matters to you. Are you born with this type of intelligence, or can it be developed? How can you develop it? The history of the term, who coined the term, emotional intelligence, how has it become a popular field of study in psychology, and how has it changed the way we view personality? How it can benefit you. In what ways can developing your emotional intelligence benefit you in life? What specific areas will it give you advantages in? You will find out throughout this book. How is EQ measured? How are you supposed to know where you stand with your emotional intelligence, also called your EQ currently? And once you know how can you improve it? And more. If you are ready to take your life into your own hands and improve your motivation, self-control, empathy, and become a better person all around, it's time to learn all you can about EQ. correlated to Emotional Intelligence It is commonly said that it takes 21 days to make a habit stick With that in mind each
skill will take several weeks to ingrain in your mind and body and that is only if you practice them every single day
Fortunately you can work on several skills at a time There will be plenty of opportunities every day that you can apply your
new emotional intelligence tools to and many of these opportunities allow you to practice more than one skill Others are
more situational and it could take even longer before you have the opportunity to really work on them For example practicing
cultural social awareness is going to be based on how often you are exposed to other cultures If you are feeling overwhelmed
or think that it is downright impossible break it down into a step by step plan for yourself Rather than focus on the overall
goal and the big picture try setting smaller goals for yourself The best way to set a goal is to write down your overall goal for
example increasing your chances of success Then you ll want to write down three steps to take in order to reach that goal
such as improving EQ getting a better job establish a long term romantic relationship Once you have your three steps written
out break each of them into three smaller steps This book covers EQ Skills That Will Help Your Career Why EQ is Critical for
