Overcoming Homosexuality:

Overcoming Homosexuality Robert Kronmeyer, 1980 Homophobic psychotherapy Jim Kepner *Homosexuality* Emmanuel M. Ekwo, 2010-09 I have heard many arguments questions and comments in reference to homosexuality and there is now a burden on my heart to express plainly how offensive this is in the sight of God I will try to merge all these arguments questions and comments together and balance them by the Word of God I pray you read this with an open heart and mind Well I am going to point out a few things that may come as a shock to you You must approach this subject with an open mind and form your own conclusions since mind control is about telling people what to do and how to think and I am certainly not trying to control you or your life There are some aspects of reality that people nowadays are not taught due to an overwhelming feeling of fear created by those very aspects of reality There are mass movements of gays and lesbians going on around the world even in largely homophobic enclaves such as in many African societies All of these are not an accident folks it is a careful orchestration by the one who seeks Man s destruction I certainly see a prophetic significance in the recent homosexual upsurge The modern homosexual upsweep is one phase of a declining trend in morals When the disciples asked our Lord What shall be the sign of Thy coming and of the consummation of the age He told them that iniquity shall abound Matthew 24 3 12 There is today permissiveness and promiscuity in sexual behavior unprecedented in the history of America and of the world There is little restraint upon the widespread of materials containing pictures and writings depicting erotic behavior intended to cause sexual excitement This would be included in our Lord s prophecy about abounding iniquity

Loving Homosexuals as Jesus Would Chad W. Thompson, 2004-11-01 Chances are you know someone who is gay a coworker family member or friend And chances are as a Christian you re not exactly sure how to relate to this person While the church has been pretty good at hating the sin it hasn t really known how to love the sinner without fear of condoning a homosexual lifestyle Chad Thompson a man who has struggled with homosexual feelings argues that homosexuality needs to be solved through relationships Drawing from the life and words of Jesus Thompson gives readers permission to love and befriend homosexuals before they change and radically even if they never change their sexual orientation This candid book includes an appendix of additional resources It will be a valuable tool for pastors teachers counselors and any Christian who knows someone who is gay *Someone I Love Is Gay* Anita Worthen, Bob Davies, 1996-05-23 Finding out that a child spouse relative or friend is homosexual can be an unwelcome surprise You re hit with a complex combination of emotions grief shame fear guilt You are flooded with questions ranging from why to what s next You wonder what a biblical response would be At the same time someone you care about deeply may be awaiting your response What should you say *Someone I Love Is Gay* was created out of Anita Worthen s struggle over these issues with her son and her work with New Hope Ministries in San Rafael California and Bob Davies s personal experience and professional experience with Exodus International in Seattle Washington Drawing also on the experiences of others they will help you to handle your feelings while responding

appropriately to your loved one Growth into Manhood Alan Medinger,2000-08-15 A breakthrough plan for males to re enter the world of men What happens when a boy grows physically into an adult male but misses some of the experiences and relationships that help form complete manhood Alan Medinger writes for such men and for those who care about them Within the context of his own release from homosexuality and his growth into confident and comfortable manhood Medinger offers hope to others For homosexually oriented men such growth is an essential but often overlooked step in the process of healing This ground breaking study could well change many lives **By God's Design** Judith Hartzell,2015-03-09 What happens when a man finds himself sunk in a downward spiral of risky homosexual acts and he knows no way to escape And when he is about to lose his prestigious and profitable career along with his marriage and even his life The answer would have been certain tragedy for Alan Medinger if not for a praying wife and the mercy of God Restored and inspired he went on to establish a ministry for same sex attracted people Regeneration of Baltimore Maryland where he and his wife Willa influenced hundreds to turn from homosexuality and seek holiness Through their work with Exodus International they influenced thousands more When quarrels and dissension affected Exodus in Alan s last years he predicted its demise and explained how ministries would continue to succeed without it Through Alan and Willa Medinger s story in By God s Design you will learn the truth about homosexuality its causes its healing and how the church can help **Covering** Kenji Yoshino,2007-02-20 A lyrical memoir that identifies the pressure to conform as a hidden threat to our civil rights drawing on the author s life as a gay Asian American man and his career as an acclaimed legal scholar Kenji Yoshino offers his personal search for authenticity as an encouragement for everyone to think deeply about the ways in which all of us have covered our true selves We really do feel newly inspired The New York Times Book Review Everyone covers To cover is to downplay a disfavored trait so as to blend into the mainstream Because all of us possess stigmatized attributes we all encounter pressure to cover in our daily lives Racial minorities are pressed to act white by changing their names languages or cultural practices Women are told to play like men at work Gays are asked not to engage in public displays of same sex affection The devout are instructed to minimize expressions of faith and individuals with disabilities are urged to conceal the paraphernalia that permit them to function Given its pervasiveness we may experience this pressure to be a simple fact of social life Against conventional understanding Kenji Yoshino argues that the work of American civil rights law will not be complete until it attends to the harms of coerced conformity Though we have come to some consensus against penalizing people for differences based on race sex sexual orientation religion and disability we still routinely deny equal treatment to people who refuse to downplay differences along these lines At the same time Yoshino is responsive to the American exasperation with identity politics which often seems like an endless parade of groups asking for state and social solicitude He observes that the ubiquity of covering provides an opportunity to lift civil rights into a higher more universal register Since we all experience the covering demand we can all make common cause around a new civil rights paradigm based on our desire for

authenticity a desire that brings us together rather than driving us apart Praise for Covering Yoshino argues convincingly in this book part luminous moving memoir part cogent level headed treatise that covering is going to become more and more a civil rights issue as the nation and the nation s courts struggle with an increasingly multiethnic America San Francisco Chronicle A remarkable debut Yoshino s sense of justice is pragmatic and infectious Time Out New York Overcoming Homosexuality Ed Hurst,Dave Jackson,1987 **Changing Homosexuality in the Male** Lawrence J.
