See You On Venus! Geoffrey j Canavan, 2011-08 See You on Venus is a book about learning to let go of your investment in self imposed limitations so that you can dismantle the blocks you have created to your innate freedom success choice happiness and completion It is also a book about hope observation and reconnecting with your lost self the self of perfect success happiness and harmony Like a half remembered song each one of us carries a distant memory of how that perfection feels but this memory is clouded by what we have learned on our journey through life The message is simple you have the power to bring together the parts of yourself that have become fragmented and to become one daring and truthful realization of the perfect star you truly are See You on Venus shows that you can stop undermining yourself and that you can hold the belief of the truth of what you can be Remember never lose moments in your own time when a decision to make a new choice or to see the world in a new way can be so freeing Whatever aspect of your life you want to focus on however you define success or happiness wherever you want to take that inner perfection it s really only a matter of realizing the unlimited resource that you already are and always were and reconnecting with what you have forgotten about your perfect self We all start perfectly successful We all start complete We acquire failure Real success is based on who we are within rather than anything we come by externally The willingness to look at ourselves in a light of perfection success inclusion and completion provides a real opportunity to move forward in the true meaning of peace and happiness In this book Geoffrey Canavan explores the intrinsic nature of success and produces a universal road map for real life that can be tailored to corporate or individual needs A must read for business and individual decision making Jerry Flynn MD Sony Pictures There is a way of thinking that will bring peace and happiness into our life that will free us to the memory of a perfectly whole completely loving and forgotten Self It is an awareness that mystics and philosophers through the ages have tried to explain and teach how to access Geoffrey Canavan is a modern mystic with the unique ability of explaining why and how our lives function the way they do and most importantly in concepts we can relate to and using language we understand showing us how to make choices that will change our self perception and then the world that it has made for us In a world made from the belief that there is something wrong with me See You On Venus offers a refreshing and needed alternative to the beliefs that have made the ego s perception seem true In a world given to finding better ways to defend ourselves and maintain the distance between us it offers a way to find real healing through forgiveness and joining For anyone willing to be truly happy or to risk finding the truth of who and what they really are See You On Venus will be a blessing and a joy Tom Carpenter Author and founder of The Forgiveness Project More than ever individuals families organizations and governments need to create a vision for success that helps to deliver true happiness abundance and freedom Geoffrey Canavan shows us the way Robert Holden Ph D author of Shift Happens Happiness Now Success Intelligence and Be Happy As things tighten up the drive to succeed grows stronger Widespread exploration of getting to the root and playing the inner game of succeeding in life

This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to

become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Own Your Own PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Own Your Own free PDF books and manuals for download has revolutionized the way we access and consume knowledge.
