The Pre-Raphaelites Inga Bryden,1998 This unique collection demonstrates the profoundly interdisciplinary nature of Pre Raphaelitism and contains whole texts and key extracts from key Pre Raphaelite figures such as William Morris and from less well known figures *The Oxford Critical and Cultural History of Modernist Magazines* Peter Brooker,Andrew Thacker,2009-03-26 The first of three volumes charting the history of the Modernist Magazine in Britain North America and Europe this collection offers the first comprehensive study of the wide and varied range of little magazines which were so instrumental in introducing the new writing and ideas that came to constitute literary and artistic modernism in the UK and Ireland In thirty seven chapters covering over eighty magazines expert contributors investigate the inner dynamics and economic and intellectual conditions that governed the life of these fugitive but vibrant publications We learn of the role of editors and sponsors the relation of the arts to contemporary philosophy and politics the effects of war and economic depression and of the survival in hard times of radical ideas and a belief in innovation The chapters are arranged according to historical themes with accompanying contextual introductions and include studies of the New Age Blast the Egoist and the Criterion New Writing New Verse and Scrutiny as well as of lesser known magazines such as the Evergreen Coterie the Bermondsey Book the Mask Welsh Review the Modern Scot and the Bell To return to the pages of these magazines returns us a world where the material constraints of costs and anxieties over censorship and declining readerships ran alongside the excitement of a new poem or manifesto This collection therefore confirms the value of magazine culture to the field of modernist studies it provides a rich and hitherto under examined resource which both brings to light the debate and dialogue out of which modernism evolved and helps us recover the vitality and potential of that earlier discussion *Præraphaelite Diaries and Letters* William Michael Rossetti,1900 **The Journal of Pre-Raphaelite Studies** ,1996
