

Psychological Suspense

Both Rachel and Minnie Walters have long been famous for psychological suspense novels depicting psychological issues such as domestic abuse, insanity, and incestuousness. These novels often depict the darker side of the protagonists' psyche, and the effect of trauma on the human mind. There are some unusual twists (spoiling: none in this genre).

Abraham, Peter. *Structures in Stephen King's Domestic suspense writer*. Janet Clark. Open document. Abraham, noted as "graphically attentive to psychological detail, with atmospheric, layered or ambiguous."
