Life of P. T. Barnum Phineas Taylor Barnum,1886

American Book Publishing Record ,1997 **P.T. Barnum** A. H. Saxon,1989 I believe hugely in advertising and blowing my own trumpet beating the gongs drums to attract attention to a show Phineas Taylor Barnum wrote to a publisher in 1860 I don t believe in duping the public but I believe in first attracting and then pleasing them The name P T Barnum is virtually synonymous with the fine art of self advertisement and the apocryphal statement There s a sucker born every minute Nearly a century after his death Barnum remains one of America s most celebrated figures In the Selected Letters of P T Barnum A H Saxon brings together more than 300 letters written by the self styled Prince of Humbugs Here we see him opinionated and exuberant with only the rarest flashes of introspection and self doubt haggling with business partners blustering over politics and attempting to get such friends as Mark Twain to endorse his latest schemes Always the king of showmen Barnum considered himself a museum man first and was forever on the lookout for curiosities whether animate or inanimate His early career included such outright frauds as Joice Heth the 161 year old nurse of George Washington and the Fejee Mermaid the desiccated head and torso of a monkey sewn to the body of a fish Although in later years he projected a more solid respectable image managing the irreproachable legitimate attraction Jenny Lind becoming a leading light in the temperance crusade founding the Barnum Bailey Circus much of his daily existence continued to be unabashedly devoted to manipulating public opinion so as to acquire for himself and his enterprises what he delightedly termed notoriety His famous autobiography The Life of P T Barnum which he regularly augmented during the last quarter century of his life was itself a masterpiece of self promotion Will you have the kindness to announce that I am writing my life that fifty seven different publishers have applied for the chance of publishing it he wrote to a newspaper editor adding Such is the fact and if it wasn t why still it ain t a bad announcement The Selected Letters of P T Barnum captures the magic of this consummate showman s life truly his own greatest show on earth *Children's Books in Print* R R Bowker Publishing,Bowker,1999-12

Forthcoming Books Rose Arny,1997 **Struggles and Triumphs: or, Forty Years' Recollections of P. T. Barnum** P. T. Barnum,2023-11-10 In Struggles and Triumphs or Forty Years Recollections of P T Barnum the legendary showman offers a captivating autobiographical narrative that interweaves personal anecdotes with reflections on his remarkable career Written in a conversational yet eloquent prose style characteristic of 19th century American literature Barnum s memoir delves into the complexities of entrepreneurship fame and the art of entertainment His unique insights into the burgeoning world of spectacle and amusement during the Gilded Age serve as both a historical document and a fascinating exploration of the human spirit s resilience against adversity P T Barnum often hailed as the father of modern marketing was not only an

astute promoter but also a visionary who understood the pulse of public interest His rich experiences ranging from humble beginnings to the heights of success with the Barnum Bailey Circus reflect his deep understanding of the entertainment industry This book emerges from a life defined by struggle and triumph heavily influenced by Barnum s commitment to innovation and his relentless pursuit of the extraordinary I highly recommend *Struggles and Triumphs* to readers interested in the intersection of art commerce and biography It is a compelling account that not only entertains but also inspires by exemplifying how creativity and determination can forge a path through life s challenges

Barnum,2005 *The Colossal P T Barnum Reader* reveals the trailblazing American showman as by turns a moral reformer a habitual hoaxer an insightful critic a savvy puffer a master of images a sparkling writer a relentless provocateur and an early advocate of family entertainments Taken together these selections paint a new and more complete portrait of this complex man than has ever been seen before James W Cook s *The Colossal P T Barnum Reader* includes large excerpts from Barnum s semi autobiographical novel *The Adventures of an Adventurer* 1841 his European letters from 1844 46 informing readers of the New York Atlas of his reception by royalty overseas selections from his *Ancient and Modern Humbugs of the World* Barnum s 1864 65 insider s look into nineteenth century frauds and much much more The book also features vintage photographs and reproductions of difficult to find images from Barnum s two decade collaboration with the prominent New York lithographers Currier and Ives Collectively these materials help us to track the shifting personas of the great showman his promotional choices and his publics across the nineteenth century Book jacket *Barnum* Robert Wilson,2019-08-06

Robert Wilson s *Barnum* the first full dress biography in twenty years eschews clich s for a more nuanced story It is a life for our times and the biography Barnum deserves The Wall Street Journal P T Barnum is the greatest showman the world has ever seen As a creator of the Barnum Baily Circus and a champion of wonder joy trickery and humbug he was the founding father of American entertainment and as Robert Wilson argues one of the most important figures in American history Nearly 125 years after his death the name P T Barnum still inspires wonder Robert Wilson s vivid new biography captures the full genius infamy and allure of the ebullient showman who from birth to death repeatedly reinvented himself He learned as a young man how to wow crowds and built a fortune that placed him among the first millionaires in the United States He also suffered tragedy bankruptcy and fires that destroyed his life s work yet willed himself to recover and succeed again As an entertainer Barnum courted controversy throughout his life yet he was also a man of strong convictions guided in his work not by a desire to deceive but an eagerness to thrill and bring joy to his audiences He almost certainly never uttered the infamous line There s a sucker born every minute instead taking pride in giving crowds their money s worth and more Robert Wilson editor of *The American Scholar* tells a gripping story in *Barnum* one that s imbued with the same buoyant spirit as the

man himself In this engaging insightful and richly researched new biography New York Journal of Books Wilson adeptly makes the case for P T Barnum s place among the icons of American history as a figure who represented and indeed created a distinctly American sense of optimism industriousness humor and relentless energy **P. T. Barnum** David Wright,Gini Holland,Mike White,1997-01-01 Phineas Taylor Barnum was born on a farm in Bethel Connecticut in 1810 Like most Americans in the 1820 s he and his family worked from dawn to dusk First Biographies are the life stories of legendary heroes told for young readers These men and women have played an important role in history Each title sure to appeal to young readers includes stories about the hero s early life Humbug Neil Harris,1981-05-15 This carefully researched study of America s greatest showman huckster and impresario is both an inclusive analysis of the historical and cultural forces that were the conditions of P T Barnum s success and as befits its subject a richly entertaining presentation of the outrageous man and his exploits Publisher *El-Hi Textbooks and Serials in Print* ,2006 **Barnum's Own Story** P. T. Barnum,2017-08-22 Barnum s career of showmanship and charlatanry was marked by a surprising undercurrent of honesty In this classic of self accusation and self justification he reveals the stories behind his hoaxes and publicity stunts Illustrations throughout The New York Times Book Review ,1992-10 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **Struggles and Triumphs** P. T. Barnum,2015-07-06 Phineas Taylor Barnum popularly known as P T Barnum released his own biography in 1855 titled The Life of P T Barnum which includes his golden rules for money making This edition is a 1888 reprint containing essentially the same account as the original and includes a number of images and illustrations This volume can be well regarded as a manual of showmanship and moneymaking given the notorious American businessman s trade and success in his chosen profession It is quite ironic that someone who is at the core sort of a coward and averse to certain inconveniences would make his stamp in history and society as a master in frauds and hoaxes via his famed Ringling Bros and Barnum any imperfections that remain are intentionally left to preserve the state of such historical works **Subject Guide to Children's Books In Print, 1996** R R Bowker Publishing,1996
