

The background of the book cover is a composite image. The top half shows a large, detailed Earth from space, with a crescent moon in the upper right. A vibrant rainbow arches across the middle of the cover, spanning from the left side over a dark, forested mountain range to the right side over a body of water. The bottom half of the cover depicts an underwater scene with a colorful coral reef, featuring a large striped surgeonfish on the left and two clownfish on the right.
