

Modern China

Kenneth Scott Latourette

Modern China:

Modern China Rana Mitter, 2016-02-25 China today is never out of the news from international finance to human rights controversies global coverage of its rising international presence and the Chinese economic miracle It seems to be a country of contradictions a peasant society with some of the world's most futuristic cities heir to an ancient civilization that is still trying to find a modern identity This Very Short Introduction offers the reader an entry to understanding the world's most populous nation giving an integrated picture of modern Chinese society culture economy politics and art In this new edition Rana Mitter addresses China's current global position accounting for the country's growth in global significance over the past decade ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

The Search for Modern China Jonathan D. Spence, 1990 In this widely acclaimed history of modern China Jonathan Spence achieves a fine blend of narrative richness and efficiency The Search for Modern China offers a matchless introduction to China's history

Modern China: the Story of a Revolution Orville Schell, Joseph Esherick, 1972 Traces the history of China and its relationship with the West from the thirteenth century visit of Marco Polo to the present day

A History of Modern China Kenneth Scott Latourette, 1956

Modern China Ke-wen Wang, CRSN Staff, 1997-11-10 Charts Western influence and national development Beginning with the mid 19th century when China encountered the West and began to enter the modern age this encyclopedia offers an overview of the world's largest and most populous nation The coverage includes not only major political topics but also surveys the arts business literature education journalism and all other major aspects of the nation's social cultural and economic life The encyclopedia also offers significant material on such often neglected subjects as women and minorities modern drama Sino French War the federalist movement overseas Chinese Mongolian independence and more Special emphasis throughout is on the dramatic changes that have taken place in the country since the end of World War II Provides an overview of the modern era The entries are written by China specialists who are thoroughly familiar with every aspect of the nation and its peoples While history predominates the articles cover all academic fields and include considerable material on recent decades as well as on earlier periods There are entries on national political leaders and key thinkers major events and trends in the nation's history institutions organizations and currents of thought that led to the emergence of the modern nation The encyclopedia's longer essays offer detailed and insightful surveys of censorship important eras literary movements powerful social groups anti imperialism campaigns Five Year Plans the Sino Vietnamese War economic breakthroughs and other vital topics The coverage is informed by a thorough exploration of the historical role of Chinese nationalism a potent force that was shaped by the need to retain national unity and independence under foreign assault

Modern China Graham Hutchings, 2001 This

guide to people places ideas and events crucial to an understanding of a rising world power focuses on society and politics and their impact on China and the world Hutchings provides over 200 short essays arranged alphabetically covering figures and events from Sun Yat sen to Jiang Zemin and the Boxer Rebellion to Tiananmen Square **Modern China** Rana Mitter,2009 A brief introduction to the history politics society and culture of China **Modern China** Xiaobing Li,2015-11-23 Providing an indispensable resource for students educators businessmen and officials investigating the transformative experience of modern China this book provides a comprehensive summary of the culture institutions traditions and international relations that have shaped today s China In Modern China author Xiaobing Li offers a resource far beyond a conventional encyclopedia providing not only comprehensive coverage of Chinese civilization and traditions but also addressing the values issues and critical views of China As a result readers will better understand the transformative experience of the most populous country in the world and will grasp the complexity of the progress and problems behind the rise of China to a world superpower in less than 30 years Written by an author who lived in China for three decades this encyclopedia addresses 16 key topics regarding China such as its geography government social classes and ethnicities gender based identities arts media and food each followed by roughly 250 short entries related to each topic All the entries are placed within a broad sociopolitical and socioeconomic contextual framework The format and writing consistency through the book reflects a Chinese perspective and allows students to compare Chinese with Western and American views

Pioneers of Modern China Khoo Choy Lee,2005 Amongst the Chinese exists great cultural variety and diversity The Cantonese care more for profit than face and are good businessmen whereas Fujian R r n are frank blunt and outspoken but daring and generous Beijing R r n are more aristocratic and well mannered having stayed in a city ruled by emperors of different dynasties Shanghai R r n are more enterprising adventurous and materialistic but less aristocratic having been at the center of pre war gangsterism Hainan R r n are straightforward blunt and stubborn Hunan R r n are more warlike and have produced more marshals and generals than any other province Pioneers of Modern China is a fascinating book that paints a vivid picture of the unique cultural characteristics and behavior of the Chinese in the various provinces Using leaders in the modern history of China such as Sun Yat Sen Chiang Kai Shek Mao Zedong Zhou Enlai Deng Xiaoping Jiang Zemin Hu Jintao and Wen Jiabao as representatives it offers an in depth look into the psyche of the Chinese people It also pays tribute to writers painters and kungfu experts who have helped to develop the country socially and artistically

Historical Dictionary of Modern China (1800-1949) James Z. Gao,2009-06-16 The Historical Dictionary of Modern China 1800 1949 offers a concise but comprehensive examination of the political military economic social and cultural development of modern China Instead of focusing merely on the political elites of China this reference covers a variety of significant persons including women and ethnic minorities new historical concepts cultural and educational institutions and economic activities Drawing on newly available records including a large mass of governmental and family archives the narratives

presented reveal new facts offer a new interpretation in accordance with China's modernization process during the late Qing period and a revisionist perspective on the Republican history The chronology records not only political and military events but also other experiences of the Chinese people The bibliography gives prominence to current literature on China's drive towards modernization and appendixes provide the reader with detailed information on China's cultural and economic transformation

Modern China Graham Hutchings, 2000 At the end of a century of political upheaval there is worldwide speculation about the growing influence of China on the world political and economic stage in the near future Interest in Chinese history and current affairs is growing apace This companion to modern China aims to meet the need for information amongst businessmen journalists politicians and statesmen It brings together historical insights up to date statistics and analysis and reasoned forecasts concerning the future The story of modern China is recounted through an introductory essay and is supported by an extensive list of 500 A-Z dictionary style entries which form the body of the text A concluding essay sketches out the options for China's future political social and economic development

[The Complete Idiot's Guide to Modern China](#) Vanessa Lide Whitcomb, Michael Benson, 2002-09-01 This work provides an informative guide to the roots of modern China It also looks at the key challenges and opportunities that face China in the 21st century

Modern China: All That Matters Jonathan Clements, 2011-10-28 In *Modern China All That Matters* Jonathan Clements presents China as the Chinese themselves see it He explains the key issues of national reconstruction the Cold War the Cultural Revolution and the dizzying spectacle of China's economic reform Clements offers a Chinese perspective on such events as the Handover of Hong Kong and chronicles the historical events that continue to resonate today in Chinese politics economics culture and quality of life A final chapter examines China's role in the global marketplace its indirect effect on foreign economies from Australia to America to Africa and its growing military might with an assessment of the damage done to its environment and population In his most provocative assertion Clements suggests that China's contemporary problems are not the trials of a developing nation but a possible vision of our own future This accessible and readable book will appeal both to students and general readers giving a fascinating introduction to modern China and what matters most about it

Publishing, Culture, and Power in Early Modern China Kai-wing Chow, 2004 This path breaking book argues that printing both with woodblocks and with movable type exerted a profound influence on Chinese society in the sixteenth and seventeenth centuries

Modern China I. W. Mabbett, 2024-11-01 Most writing on modern China dwells on those aspects which are new to China since the Communist takeover stressing above all politics Marxism economic and agricultural development First published in 1985 *Modern China* argues that all this writing creates a false impression of what present day China is really like This book contends that much of traditional China remains particularly at the grass roots level and that Buddhism and the Buddhist tradition continue to exert an influence Politics in communist China is best understood in the context of this tradition Throughout arguments are supported by revealing how tradition continues in the economy in society and the family

by examining in detail the Buddhist tradition and by using the case study of education to show the interplay between modern and customary forces

The Penguin History of Modern China Jonathan Fenby, 2008 In the second half of the 19th century China appeared as the sick man of Asia rocked by recurrent revolts and huge natural disasters ruled by an anachronistic imperial system and humiliated by foreign invasions Karl Marx saw it as bound to disintegrate like any mummy carefully preserved in a hermetically sealed coffin The first half of the 20th century was even worse culminating in fourteen years of invasion by Japan four years of civil war and three decades of chaotic oppressive rule by Mao Zedong that killed tens of millions Now at the start of the 21st century China is a major global force booming economically and confident that it holds the keys to a future in which it will rival the United States It is impossible to understand modern China without understanding the country's terrible recent past and Jonathan Fenby's magnificent new book is the essential work The Penguin History of Modern China is both a brilliant narrative crammed with surprising and interesting stories and a profound study of the nature of political power and its abuse

Rescuing History from the Nation Prasenjit Duara, 1996-11-20 Prasenjit Duara offers the first systematic account of the relationship between the nation state nationalism and the concept of linear history Focusing primarily on China and including discussion of India Duara argues that many historians of postcolonial nation states have adopted a linear evolutionary history of the Enlightenment colonial model As a result they have written repressive exclusionary and incomplete accounts The backlash against such histories has resulted in a tendency to view the past as largely constructed imagined or invented In this book Duara offers a way out of the impasse between constructionism and the evolving nation he redefines history as a series of multiple often conflicting narratives produced simultaneously at national local and transnational levels In a series of closely linked case studies he considers such examples as the very different histories produced by Chinese nationalist reformers and partisans of popular religions the conflicting narratives of statist nationalists and of advocates of federalism in early twentieth century China He demonstrates the necessity of incorporating contestation appropriation repression and the return of the repressed subject into any account of the past that will be meaningful to the present Duara demonstrates how to write histories that resist being pressed into the service of the national subject in its progress or stalled progress toward modernity

Changing Meanings of Citizenship in Modern China Merle Goldman, Elizabeth J. Perry, 2002-06-30 This collection of essays addresses the meaning and practice of political citizenship in China over the past century raising the question of whether reform initiatives in citizenship imply movement toward increased democratization After slow but steady moves toward a new conception of citizenship before 1949 there was a nearly complete reversal during the Mao regime with a gradual reemergence beginning in the Deng era of concerns with the political rights as well as the duties of citizens The distinguished contributors to this volume address how citizenship has been understood in China from the late imperial era to the present day the processes by which citizenship has been fostered or undermined the influence of the government the different development of citizenship in

mainland China and Taiwan and the prospects of strengthening citizens rights in contemporary China Valuable for its century long perspective and for placing the historical patterns of Chinese citizenship within the context of European and American experiences *Changing Meanings of Citizenship in Modern China* investigates a critical issue for contemporary Chinese society Modern China Edwin E. Moise, 2013-08-21 The past hundred years in China have seen almost continuous transformation and upheaval From Confucianist monarchy to warlordism from fanatically doctrinaire socialist tyranny to almost doctrineless social capitalism China has experienced political cultural and economic disintegration reunion and revolution on an unprecedented scale Beginning with the overthrow of the Emperor in 1911 Moise guides us through a century of ever unfolding drama with characteristic clarity and balance Examining the effects of the communist revolution he argues that in the early days Mao Zedong established the most effective government China had ever known and that even during the bizarre excesses and blood letting of the Cultural Revolution there were still issues that were dealt with in a rational and effective manner Moving on to the developments since the death of Mao in 1976 in a section fully revised and updated for this new edition Moise gives a nuanced account of the two sides of China its spectacularly successful programme of capitalist economic development and its continuing dictatorship He contends that dictatorship is now much less total than it was until the mid 70s although dissenters are still persecuted their very existence is evidence of a significant loosening of repression However there is a heavy price being paid for the Chinese economic miracle The environmental effects of this boom already stretch well beyond the borders of China *Modern China* sends us a clear message the rapid and fundamental change that has framed the last century has not slowed or stalled but acts as a pointer to the near certainty of significant further change To understand China's future we must understand its past Edwin E Moise is Professor of History at Clemson University South Carolina and a specialist in the history of China and Vietnam His previous works include *Land Reform in China and North Vietnam* 1983 and *Tonkin Gulf and the Escalation of the Vietnam War* 1996 *Early Modern China and Northeast Asia* Evelyn S. Rawski, 2015-06-05 In this revisionist history of early modern China Evelyn Rawski challenges the notion of Chinese history as a linear narrative of dynasties dominated by the Central Plains and Hans Chinese culture from a unique peripheral perspective Rawski argues that China has been shaped by its relations with Japan Korea the Jurchen Manchu and Mongol States and must therefore be viewed both within the context of a regional framework and as part of a global maritime network of trade Drawing on a rich variety of Japanese Korean Manchu and Chinese archival sources Rawski analyses the conflicts and regime changes that accompanied the region's integration into the world economy during the sixteenth and seventeenth centuries *Early Modern China and Northeast Asia* places Sino Korean and Sino Japanese relations within the context of northeast Asian geopolitics surveying complex relations which continue to this day

Getting the books **Modern China** now is not type of challenging means. You could not solitary going behind ebook amassing or library or borrowing from your associates to get into them. This is an completely easy means to specifically acquire lead by on-line. This online declaration Modern China can be one of the options to accompany you behind having new time.

Modern China Introduction

In the digital age, access to information has become easier than ever before. The ability to download Modern China has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Modern China has opened up a world of possibilities. Downloading Modern China provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Modern China has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Modern China. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Modern China. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Modern China, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Modern China has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Modern China Books

What is a Modern China PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Modern China PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Modern China PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Modern China PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Modern China PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
