**The Art of Dowsing** Michael Fercik, 2020-11-15 The Art of Dowsing Separating Science from Superstition book is the first book ever written that comprehensively explains the physics involved in using the modern ball bearing dowsing rod with gauging by pitting gravity against the elemental magnetic flux lines of the dowsed for element or elemental mass Gravity is used as a gauge for dowsing the edges middle grade angle of depositing with depth buried The involved physics of each of the ninety two natural elements radiating out electromagnetic microwave band frequency from single atoms that combine with other atoms of the same element for producing one elemental magnetic flux line which combine with all the other same element's elemental magnetic flux lines for building enough static electrical energy for the human body produced static electricity to energize the dowsing rod's attached one tenth troy ounce pure element that is dowsed for The element that is attached to the dowsing rod becomes energized enough by the same element buried in the ground to produce physical turning of the dowsing rod when dowsing toward and over the sought buried elemental mass Building and maintaining the modern ball bearing dowsing rod and dowsing on foot or amplified long distance dowsing from a vehicle is thoroughly explained Michael John Fercik started dowsing for gold ore veins in 1975 with unknowingly becoming
