Dlabay,Robert James Hughes,Melissa M. Hart,2025 Dear Personal Finance Students and Professors Take a few minutes and think about what your life will be like in 5 10 or 20 years As authors we believe that success is measured not only by the grade you receive in this course but also by how you use the information in the 2025 Release of Personal Finance to build a

better life For most people the first step is to establish goals that are important to you Then you must make the decisions that will make your life a well lived experience As you begin this course don t understate the importance of the financial decisions you make and how they impact the quality of life you experience both now and in the future To help you improve your ability to make decisions we ve worked hard to make sure there is important information in every chapter to help you make better financial decisions For example how will interest rates affect your life now and in the future That really depends on whether you are saving for a financial goal or looking to make a major purchase
