Works of Leo Tolstoi graf Leo Tolstoy,1912 *War and peace, from the Russ. by N.H. Dole. Authorised transl. 2 double vols* graf Leo Tolstoy,1905 **War and Peace** graf Leo Tolstoy,1889 *The Divine Melody* Osho,2021-11-08 These songs of Kabir are nothing but the overflowing of that melody that he has heard These songs are nothing but the overflowing of the

flood that he has received into his innermost being These songs are no longer ordinary songs These songs are not only those of a poet but those of a mystic one who knows knows by living it one who has tasted God who is drunk with God Osho The Last Letter.....life, what's it all about? Roy Geoffrey Waters,2021-11 Yes that s me Roy Geoffrey Waters Well actually it s a photograph of a painting of me by me But I don t just paint myself I also write about myself This book is a sort of autobiography it s a collection of thoughts related to events in my life I hope it will make you smile a bit and even think a bit every so often I never intended to publish what I ve written over several years but when I came to realise that I d written so much I thought that sending it to a printer publisher would be the simplest way to pull it all together It s my first and I expect only publication You can see that I call myself Roy Geoffrey Waters That s a little unusual isn t it at least in the UK Most people would simply use one christian name and one surname So why the Geoffrey Well I started including my second christian name many years ago when I opened my e mail account with hotmail I found that my name was not available another Roy Waters was using it I thought I d get in contact with this Roy Waters and did I live near Barcelona Spain and the other Roy Waters of which there seem to be hundreds I m glad my name is not John Smith lives or at least then lived in Dorset so when I was in London to support my third child running the marathon I managed to meet up with my name sake I suppose this blurb should be encouraging you to read the book Well I can only think of two basic reasons to read it and I ve mentioned them above to smile a bit and to think a bit If you read it then enjoy it If you don t read it then be happy anyway that s what life is all about
