These 12 groups of firms are considered as groups whose members should be treated as a single unit. These could be regarded as groups of firms that are closely related.

## Methodology

- The names and titles of the members of groups, officials and others that you know. Because this creates difficulties when you go after them in your investigations.
- The names and addresses of the organizations of various kinds which are in a position to give you and assist you in your business from the coming period. The names will be arranged in a straight line from left to right, just as in business card cases.
- The names and titles of officials, people, others, including the names of the heads of the various groups, offices or agencies, whom you think the best of the new group, include the names of business.
