Begins at the Heart of God K L Rich, 2014-03-26 LOVE Everyone wants it Everyone needs it We search for it through family friends lovers and through the act of INTIMACY We crave it We long for it We desire it We must have it Sometimes that love is displaced and we look for it in all the wrong places The devil sets traps for us because we never understood where TRUE love really begins How can we understand what love is and how to give it if we have never accepted it from the ONE who created it Who is this Creator of Love It is none other than God himself He designed us to be in relationship with each other but first we must know how to be in relationship with Him Come discover this ride where you will begin to learn about intimacy with God a revolutionary journal about yourself and an in depth passion for Him Explore the scriptures that are provided and enjoy puzzles that will give you an experience with God you will never forget **Teach Me Love** Mercy Gogo Iwo Brown Mannasseh, 2015-12-19 The highest form of love is the love of God the Father for man and man in turn loving God It is a covenant love of a Father for the humans He created and the humans returning this love to God Love is all about seeing God the Father in people and desiring them for the purpose of God There is need to explain what true love means in the present generation and more importantly it needs to be taught What our youths see around them today may be

far from the true meaning of love We learn the facts of life we learn to swim we learn to drive so teach me love Teach Me Love is intended to share and spread the gospel of love There is an urgent need to remind ourselves of the need to share the self sacrificing love We need to take practical steps towards love practical steps towards making a difference in each others life Lets teach each other Love Mercy Gogo Iwo Brown Mannasseh has a burning desire to enlighten our youths and impact on their lives Shes on a mission to touch lives positively and help them live their best life She has for long struggled with the question of what to do with her gifts of inspiration and motivation Then PlayHouse was conceived PlayHouse is a non governmental organization whose main objective revolves around the youths Every youth is given by Nature innate or in born potentials that are seemingly dormant or buried in them These potentials most often require to be activated by the right environment It is therefore expedient that the right and suitable environment is given to bring out the best abilities from these youths If a youth in the growing up years is not appropriately taught instructed or directed even the best potentials in that youth may be killed and never actualized Working from the premise that every youth is significant and every youth is unique she organized a pool of Para Soccer teams in Rivers State Under her leadership the team has won many national competitions The Rivers State Ministry of Sports and Youth Development formally inaugurated Para Soccer Association Rivers State Chapter which is affiliated to the Para Soccer Federation of Nigeria in recognition of her unrelenting efforts at promoting not only the sportsmanship in these youth but also being passionately committed to their well being This has afforded her the privilege of a seat on the Nigerias National Sports Commission Board as member representing the South South Region No one being loved is poor Love is never decreased when its being shared One act of love can ignite many more acts of love She has been made more powerful imaginative and stronger by acts of love as love is wealth in its own right Doing acts of love is the safest and surest investment that returns infinite recompense of reward It is the best asset much more precious than any material wealth She has been loved deeply which has given her strength She has loved deeply and this has given her courage to share the message of Teach Me Love **Loving Begins with Me** Elizabeth Skoglund,1979

Misunderstanding Stories Melinda McGarrah Sharp,2013-01-24 How can we work toward mutual understanding in our increasingly diverse and interconnected world Pastoral theologian Melinda McGarrah Sharp approaches this multifaceted interdisciplinary question by beginning with moments of intercultural misunderstanding Using misunderstanding stories from her experience working with the Peace Corps in Suriname Dr McGarrah Sharp argues that we

must recognize the limits of our own cultural perspectives in order to have meaningful intercultural encounters that are more mutually empowering and hopeful. Bringing together resources from pastoral theology, ethnography and postcolonial studies, she provides a valuable resource for investigating the complexity of providing care and fostering communities of belonging across cultural differences. McGarrah Sharp illustrates a process of moving from disconnection to regard for diverse others as neighbors who share a common yearning for hopeful and meaningful connection. Leaders in faith communities, practitioners of care and scholars will all be able to use this resource to better understand the conflicts, tensions and uncertainties of our postcolonial twenty first century world. An included discussion guide facilitates classroom study, small group discussion and personal reflection.
