

# baggage

she opens up her suitcase  
and it's loaded to the brim  
she simply doesn't have the room  
to squeeze more baggage in

her holdall's filled with years and years  
of things she has endured  
but you think she has no holdall  
'cause she acts so self-assured

but just because she's confident  
and acts like she's alright  
it doesn't mean her baggage  
is inconsequentially light

for though her life looks rosy  
it doesn't mean to say  
that she doesn't carry burdens  
that weigh her down each day

she's fought off many monsters  
often swam up from the depths  
she's walked through many fires  
and pulled herself back from the edge

so never think she walks on air  
when she's actually walked through hell  
you just don't know her load is heavy  
because she carries it so well
