Platforms, Promotion, and Product Discovery Luis Aguiar (Research fellow),Joel Waldfogel,2018 Digitization has vastly increased the amount of new music produced and available directly to consumers While this has levelled the playing field between already prominent and new artists creators may now be dependent on platform decisions about which songs and artist to promote With Spotify emerging as a major interactive streaming platform this paper explores the effect of Spotify s playlists on both the promotion of songs and the discovery of music by new artists using four approaches First we examine songs streaming volumes before and after their addition to and removal from major global playlists Second we compare streaming volumes for songs just on and just off algorithmic top 50 playlists Third we make use of cross country differences in inclusion on New Music Friday lists using song fixed effects to explain differences in streaming Fourth we develop an instrumental variables approach to explaining cross country New Music Friday rank differentials based on home bias Being added to Today s Top Hits a list with 18.5 million followers during the sample period raises streams by almost 20 million and is worth between 116 000 and 163 000 Inclusion on New Music Friday lists substantially raises the probability of song success including for new artists

Spotify Teardown Maria Eriksson,Rasmus Fleischer,Anna Johansson,Pelle Snickars,Patrick Vonderau,2019-02-12 An innovative investigation of the inner workings of Spotify that traces the transformation of audio files into streamed experience Spotify provides a streaming service that has been welcomed as disrupting the world of music Yet such disruption always comes at a price Spotify Teardown contests the tired claim that digital culture thrives on disruption Borrowing the notion of teardown from reverse engineering processes in this book a team of five researchers have playfully disassembled Spotify s product and the way it is commonly understood Spotify has been hailed as the solution to illicit downloading but it began as a partly illicit enterprise that grew out of the Swedish file sharing community Spotify was originally praised as an innovative digital platform but increasingly resembles a media company in need of regulation raising questions about the ways in which such cultural content as songs books and films are now typically made available online Spotify Teardown combines interviews participant observations and other

analyses of Spotify's front end with experimental covert investigations of its back end. The authors engaged in a series of interventions which include establishing a record label for research purposes, intercepting network traffic with packet sniffers and web scraping corporate materials. The authors' innovative digital methods earned them a stern letter from Spotify accusing them of violating its terms of use; the company later threatened their research funding. Thus, the book itself became an intervention into the ethics and legal frameworks of corporate behavior.

The Secret Sauce For Placing Your Music In Television & Film Marc Fantano, 2019-03-23 How do I place my music in television film? Chances are if you landed on this page you're an independent artist or band that's asking themselves that very question. However, the better question to be asking is: How can I place my music in television film and still have time to focus on making new music? This book reveals a strategic method to obtain the contact information of music supervisors and turn it into an automated machine that will find you their latest projects. Once setup, the system alerts you when it's the optimal time to contact them. The best part is this can all be done entirely by yourself. In this streaming era, Netflix, Amazon Video, Hulu, etc., where there is more content than ever being produced, sync licensing can be a massive revenue stream, and independent musicians are in demand more than ever. To put this into a better context, a 5,000 sync license for a single song will earn more revenue than over one million streams of a hit song on Spotify. Are you ready to get started now?
