Loves Design:

Love's Design Carmen Melnyk,2022-10-24 Orphaned at the tender age of three and a half years old Mandy Sullivan has moved from foster home to foster home never putting down roots long enough to make lasting friendships Her most sincere wish was to be adopted into a loving family but that was not in the cards Her only friend is a dwarf hamster living in her mind Now at 24 she hides some very deep hurts and betrayals beneath a smooth apparently self confident exterior She yearns for a true friend Jamie Vandraegen successful architect at 28 lives almost like a recluse in the beautiful house he designed and built with his own blood sweat and tears Estranged from his parents and jealously insane brother he talks to his dream girl a faceless entity who simply understands him The day of the big snowstorm his lonely quiet life is rocked by the whirlwind appearance of a snow covered frozen lashed girl on his doorstep But his jealous brother is bent on making trouble **The**

Through my own love story where I encountered heartache and loss I hope to illuminate the power of love's transformative nature and the resilience of the human spirit Through poetic verses I aspire to touch your soul remind you of the universal language of love and inspire you to embrace love's journey with an open heart and a profound appreciation for its transformative power This book is a testament to the magic and vulnerability of love and an invitation to embark on a voyage that transcends time and touches the very core of our existence **Norman Mailer**

Death and Grief S. T. Kimbrough,2018-01-30 This little book of poems reveals how the author has dealt with the grief that accompanied the death of his wife of fifty nine years The poems are a conversation on the journey through the grieving process which perhaps has no end Yes they are permeated with a deep faith that there is more to life than merely living and dying At the same time they are honest responses to how painful it is to lose your life partner Many of the poems are

autobiographical about first encounter marriage life and love together and death The actual physical occurrence of death can

be readily described by physicians but its emotional and life effect is much more illusory Without question these poems are simply one person's response to death and grief They provide no decisive answers on how to respond to either but if one's open and honest response can help others address such challenges so be it The goal of the author is not to provide steps for the grieving rather through poetry to share the thoughts of the heart and mind as they grapple with death and grief He avers that through the very difficult process of grieving which may never completely end love alone is the key to healing and renewal
