Loves Tender Kiss:

Love's Tender Kiss Lori Anderson, 2000-06 Austin Spencer was like no other man Alanna Drake had ever met tall blond and completely unattainable He was only in Minneapolis as a favor for his old friend John Enright who gave him his first acting role Austin has promised to lend his Hollywood star power to a small theater production so he and Alanna would only have the summer to explore the sights and sounds of the city as well as their growing attraction to each other Austin quickly decides he wants Alanna for his leading lady on and off the stage The dark haired green eyed beauty is just what he s looking for to launch the play he has secretly written And he is powerless to control his feelings for her But Alanna senses the danger of being too close to this man And there is danger everywhere A jealous lover an ex girlfriend and an arsonist all stand in the way of their destiny Is Love s Tender Kiss enough to overpower all the odds against them **Lips** Muska Dee, 101-01-01 This poetry collection offers a profound and lyrical exploration of human lips weaving together physical beauty emotional expression and symbolic meaning Beginning with poems that celebrate the sensual charm and aesthetic allure of lips their shape color and texture the collection soon deepens into a rich emotional journey Lips emerge not just as features of the body but as vessels of communication intimacy and identity Through whispered words and silent expressions they become powerful conduits of love longing and hidden truths As the poems progress they take on a more introspective tone exploring how lips shape our self expression and influence our relationships with the world With sensitivity and emotional depth each poem invites readers to reflect on the often overlooked significance of lips in shaping our human experience Blending vivid imagery with quiet insight this collection resonates as a meditation on beauty vulnerability and the quiet power of expression
