

Here's to Great God Luck:

"This book is a 'natural' which finds circulation among the lucky millions. You and I can read it and find value in its pages. It is value for all of us restless working individuals who haven't had a real 'break' yet, because the book marshals history and science and psychology and sociology to prove that the 'break' is likely to come along our way."—*William Hobbs, N. Y. Evening Post.*

"Mr. Lothrop has displayed great industry in gathering his mass of material of lively interest."—*Florida Herald.*

"It tells more about your silent partner than you could ever believe possible, and gives specific instances in the lives of the great and famous down through the ages to the present. It is a good book, an interesting book, one that can be picked up at any time, and the best part of it is that all the coincidences recorded between 300 pages are true."—*Spokane Post Standard.*

"This volume makes a responsive chord in the minds and hearts of all . . . fascinatingly done . . . The book is splendidly illustrated and indexed."—*Washington Empire.*

"Fascinating reading."—*Los Angeles Post-Dispatch.*

What is this mysterious, intangible, unpredictable element in all life that moulds the destinies of races, nations and individuals? No one knows—but we call it luck or chance. It
