Moving West Songbook:

Moving West Songbook Keith McNeil, Rusty McNeil, 2003-06-01 **The Ingalls Wilder Family Songbook** Dale Cockrell, 2011-01-01 URL <https://www.areditions.com/rr/rra/a071.html> The eight Little House books by Laura Ingalls Wilder 1867-1957 anchored in her family's history and filled with memories of frontier life are cornerstone classics in American children's literature. Embedded in them are citations to 127 pieces of music from parlor songs, stage songs, minstrel show songs, patriotic songs, Scottish and Irish songs, hymns and spirituals to fiddle tunes, singing school songs, play party songs, folk songs, broadside ballads, catches and rounds. No books in American literature of comparable standing and popularity feature America's vernacular music so centrally assign it such a major narrative role and index it in such rich abundance. This edition is a reconstruction of the family songbook based on the music referenced in Wilder's books. Although no such object ever existed, her representations of music making have likely informed the imaginations of more Americans than many a paper and binding. This anthology for what millions of readers have come to know about America's musical heritage is what they learned from the Little House books: the titles and lyrics to songs, how songs and tunes functioned where they were heard, what they meant, the importance of music to individuals, families and communities. Wilder's references and her evocative images of music making thus form the basis of understanding about American music to many readers. The Ingalls Wilder Family Songbook is an effort to give fresh voice and sound to the music inscribed in these great books and new appreciation about how music functioned during a place and time important in American history and mythology. Classic Rock - Rock Band Camp Songbook Hal Leonard Corp., 2014-02-01 Rock Camp. These books are designed for the first-time performer or weekend warrior who's learning how to play in a band. They include parts and playing tips for the entire band: two guitars, bass, drums and singer. Each book comes with audio of full-band tracks for each song as well as minus-one tracks for each instrument for each song so players can practice on their own between band rehearsals. Five songs including Bang a Gong Get It On, T. Rex, The Boys Are Back in Town, Thin Lizzy, China Grove, Doobie Brothers, Free, Fallin', Tom Petty, Jet, Airliner, Steve Miller Band.

California Songbook Keith McNeil (Musician), Rusty McNeil, 2001 Collection of folk songs recounting California's history from its earliest days to the 20th century with background notes on each of the songs. *Children's Book Review Index* Dana Ferguson, 2004-09-03 The Children's Book Review Index contains review citations to give your students and researchers access to reviewers' comments and opinions on thousands of books, periodicals, books on tape and electronic media intended and/or recommended for children through age 10. The volume makes it easy to find a review by author's name, book title or illustrator and fully indexes more than 600 periodicals. **German Secular Song-books of the Mid-seventeenth Century: An Examination of the Texts in Collections of Songs Published in the German-language Area Between 1624 and 1660** Anthony J. Harper, 2018-02-05 This title was first published in 2003. The secular song of the 17th century represents a relatively neglected area of German culture. In this book, Anthony J. Harper first studies the songs of the two

great models of the time Martin Opitz and Paul Fleming following this with an analysis of the song books and collections from three regions the North East Central Germany and the North The procedure is thus both historical and geographical The texts of these songs are examined in relation to structural principles thematic range and stylistic treatment Harper establishes common features and regional variations of this genre which involves love poetry songs of manners with colourful portrayals of everyday life and comic songs in a lower stylistic register Particular attention is paid to the work of Albert and Dach in Königsberg Finckelthaus Schirmer Krieger and Schoch in Leipzig and Dresden and Rist Voigtlander Zesen Greflinger and Stieler in the Hamburg region Where appropriate the book assesses the role of musical settings while not seeking to offer technical insights into musical matters Of value to scholars of German literature this study should also be of interest to musicologists working on the Renaissance and Baroque periods Songs of the Great American West Irwin

Silber,1995-01-01 Presents ninety two songs of the American West each with lyrics a vocal score simple piano arrangements and chord symbols and includes historical notes and commentaries and over one hundred period illustrations *The Complete Idiot's Guide to Music History* Michael Miller,2008-07-01 A beautifully composed journey through music history Music history is a required course for all music students Unfortunately the typical music history book is dry and academic focusing on rote memorization of important composers and works This leads many to think that the topic is boring but bestselling author Michael Miller proves that isn't so This guide makes music history interesting and fun for both music students and older music lovers Covers more than Western classical music also includes non Western music and uniquely American forms such as jazz More than just names and dates puts musical developments in context with key historical events

The Man who Never Died Barrie Stavis,1954 **Book Review Index** ,2004 Every 3rd issue is a quarterly cumulation

The Makers of the Sacred Harp David Warren Steel,2024-03-31 This authoritative reference work investigates the roots of the Sacred Harp the central collection of the deeply influential and long lived southern tradition of shape note singing Where other studies of the Sacred Harp have focused on the sociology of present day singers and their activities David Warren Steel and Richard H Hulan concentrate on the regional culture that produced the Sacred Harp in the nineteenth century and delve deeply into history of its authors and composers They trace the sources of every tune and text in the Sacred Harp from the work of B F White E J King and their west Georgia contemporaries who helped compile the original collection in 1844 to the contributions by various composers to the 1936 to 1991 editions The Makers of the Sacred Harp also includes analyses of the textual influences on the music including metrical psalmody English evangelical poets American frontier preachers camp meeting hymnody and revival choruses and essays placing the Sacred Harp as a product of the antebellum period with roots in religious revivalism Drawing on census reports local histories family Bibles and other records rich oral interviews with descendants and Sacred Harp Publishing Company records this volume reveals new details and insights about the history of this enduring American musical tradition Book Links ,1991 *Alan Menken Songbook* Alan

Menken, 2003 P V G Composer Collection A collection of 28 songs spanning the versatile and prosperous career of this composer who has won Oscars Tonys and Grammys for writing about man eating plants singing crabs and magic carpets Alan Menken has written the music for such popular projects as Little Shop of Horrors The Little Mermaid Beauty and the Beast Aladdin Pocahontas and many other stage and screen productions In addition to piano vocal guitar arrangements this book also features photos and a biography of Menken Songs include Beauty and the Beast Colors of the Wind Go the Distance God Bless Us Everyone I Wanna Be a Rockette King of New York A Place Called Home Shooting Star Somewhere That s Green Suddenly Seymour Take Care of My Heart A Whole New World and more *The New York Public Library Book of Popular*

Americana Tad Tuleja, 1994 A guide to American popular culture includes information on history folklore and other topics
The Leslie Bricusse Theatre Songbook Leslie Bricusse, 1994 **Book World** , 1969 *The Journal of Country Music*
, 1979 **Catholic School Journal** , 1969 Sing Out , 1993 **The Vermont Heritage Songbook** Margaret
MacArthur, Gregory Sharrow, 1994
