[Mucha Postcards](#) Alphonse Mucha,1987      **The Postcards of Alphonse Mucha** Q. David Bowers,Mary L. Martin,2016-05-23      **The Postcard's Radical Openness** Mariluz Restrepo,2024-04-05 The Postcard's Radical Openness offers a groundbreaking exploration of what this multifaceted double sided open card entails and how it has affected our being in the world. With a holistic approach it focuses on studying the postcard's specific way of being and performing a particular ontology that opens up what is constitutively implicated in such an apparently trivial artifact. The book organized into four parts meticulously unveils the postcard's political technological aesthetic and ethical dimensions ending with a coda correlating the postcard's radical openness to G Klimt's painting *Nuda Veritas* 1899 in reference to the scope of truth. By examining the postcard's complex worldwide history its socio cultural significance and its global effect the book reveals hidden stories shedding light on its impact on photography printing marketing trade and business practices and exposes the aesthetic communicative and ethical qualities that lie behind the enormous success of postcards at the turn of the 20th century. This comprehensive study is positioned as a thought provoking invitation to scholars and students interested in material culture media studies and human interactions as well as to history enthusiasts art lovers and postcard collectors. Offering a distinctive contribution the book not only fills a void in the literature but also encourages readers to question and reflect on the transformative power inherent in the postcard's radical openness presenting a novel and unparalleled analysis of this seemingly trivial yet culturally significant object      *Mucha* Arthur Ellridge,Alphonse Mucha,1992 This monograph details Mucha's dazzling rise to fame and how the Mucha style became synonymous with Art Nouveau      **Collecting Under the Radar** Linda Abrams,2009 Suggests types of collectibles that the author believes will rise in value how to choose good examples and ways to avoid buying fakes      [Space - Royal Observatory Greenwich Poetry Book](#) Gaby Morgan,2025-06-05 A stellar collection of poems about space celebrating the 350th anniversary of the Royal Observatory Greenwich.
