Mr Six:

The Box Mandy-Suzanne Wong, 2023-09-19 Of course each thing has its own sides to every story In a dark and crooked lane in an unnamed city where it never ceases to snow a small white box falls from a coat pocket It is made of paper strips woven tightly together there is no apparent way to open it without destroying it What compels a passing witness a self described anthropobe not inclined to engage with other people to pick up the box and chase after the stranger who dropped it The Box follows an impenetrable rectangular cuboid as it changes hands in a collapsing metropolis causing confluences conflicts rifts and disasters Different narrators each with a distinctive voice give secondhand accounts of decisive moments in the box s life From the anthropobe to a newly hired curator of a renowned art collection from a couple who own an antiquarian bookshop to a hotel bartender hiding from a terrible past the storytellers repeat rumours and rely on faulty memories grasping at something that continually escapes them Haunting their recollections in one mysterious woman who convinced of the box s good or evil powers pursues it with deadly desperation In this mesmerizing intricately constructed puzzle of a novel Mandy Suzanne Wong challenges our understanding of subject and objects of cause and effect Is it only humans who have agency What is or isn t animate What do we value and what do we discard **Senatorial Campaign**
