looking at them The New York Times The story follows one day of upper class housewife Clarissa Dalloway s life as she plans and hosts a dinner party at her house Along the way she meets with people from both her past a former suitor whose proposal she rejected and whom she no longer gets along with and her present her distant husband Richard her daughter Elizabeth and her daughter s teacher Miss Kilman whom she despises and who feels the same towards Clarissa Proving herself a master and innovator of the parallel narrative Woolf separately introduces reader to another storyline about a young veteran who was once a poet and a romantic before experiencing the horrors of war and becoming suicidal He is diagnosed with mental illness and is being forced to separate from his wife and go to a mental asylum Written one of the most prolific female authors of the twentieth century this stunning novel is often considered Woolf s magnum opus Enjoy this beautifully rejuvenated edition of Virginia Woolf s *Mrs Dalloway* **Mrs Dalloway** Virginia Woolf,2021-07-22 *Mrs Dalloway* is a novel by Virginia Woolf first published in 1925 The eponymous character first appeared in Woolf s novel *The Voyage Out* This book delves into one single day in the life of Clarissa Dalloway as she prepares for a party that evening Using the thoughts of the characters we get a glimpse into Clarissa s life including her youth and marriage and whether she married the right man or not This book has 160 pages in the PDF version and was originally published in 1925 *Mrs. Dalloway: Special Edition* Virginia Woolf,2018-04-07 *Mrs Dalloway* is a novel by Virginia Woolf that details a day in the life of Clarissa Dalloway in post World War I England *Mrs Dalloway* continues to be one of Woolf s best known novels Created from two short stories *Mrs Dalloway in Bond Street* and the unfinished *The Prime Minister* the novel s story is of Clarissa s preparations for a party of which she is to be hostess With the interior perspective of the novel the story travels forwards and back in time and in and out of the characters minds to construct a complete image of Clarissa s life and of the inter war social structure We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *Mrs. Dalloway* Virginia Woolf,2021-01-01 *Mrs Dalloway* by Virginia Woolf Set in post World War I London *Mrs Dalloway* is a groundbreaking modernist novel that delves into the thoughts and experiences of its characters over the course of a single day Through the parallel narratives of Clarissa Dalloway and Septimus Warren Smith Woolf explores the complexities of human consciousness the impact of war and the fleeting nature of time and memory all while shedding light on the intricacies of human connections and relationships Key Aspects of the Book *Mrs Dalloway*

Stream of Consciousness Woolf employs the literary technique of stream of consciousness to provide intimate insights into the inner thoughts and emotions of her characters Character Studies The novel presents vivid and multi layered character studies offering nuanced portrayals of diverse individuals and their lives Modernist Exploration Mrs Dalloway is regarded as a key work of literary modernism challenging traditional narrative structures and delving into the depths of human psychology and consciousness Virginia Woolf 1882 1941 was an influential British writer and a central figure in the modernist literary movement Her innovative writing style feminist perspectives and profound explorations of human consciousness have left a lasting impact on literature As a member of the Bloomsbury Group Woolf was associated with a circle of intellectuals and artists who significantly influenced the cultural landscape of the early 20th century Virginia Woolf's Mrs Dalloway John Sutherland,Susanna Hislop,2020-10-13 It is hard to find anyone nowadays who will dare venture a bad word on Mrs Dalloway its status as a pioneer feminist text and a brilliantly experimental work is wholly secure At the time of its publication however opinions were more mixed It was hard in the mid 1920s to come to terms with what for many seemed a vexatiously new fangled work The reading public was not yet ready for the challenge of what came to be called stream of consciousness narrative or the inner richness of a novel whose main event a superficial reading might suggest is an upper class Conservative politician s wife s purchase of flowers for a summer party This recall in the immediate aftermath of a conflict the First World War which had shaken the whole of Europe to its foundations Before during and after writing Mrs Dalloway Woolf teetered on the edge of mental breakdown and more than once fell into its awful depths And on the edge of the main plot of Mrs Dalloway and its heroine s outwardly serene existence she places Septimus Smith a shell shocked survivor of the Great War who finds peacetime too terrible to continue living in Mrs Dalloway is a novel which provokes thought about the fraught nature of genius literary modernism the ambiguous place of women in English society and literature the infinite complexities of sexual relationships and even the worthwhileness of life itself This book seeks to explore all this and to show that reading Mrs Dalloway can be one of the most rewarding experiences English fiction has to offer
