Hecht, A. C. (2014). An analysis of intercultural bilingual education in Argentina. *Journal for Multicultural Education*, Vol 8 Iss 2, pp. 70 - 80 *01/14*

The main purpose of this research article is to evaluate the state of intercultural bilingual education strategies in Argentina. Intercultural bilingual education encompasses educational proposals aimed at addressing the particular needs of the ethnolinguistic subgroups. The conclusions of the article gives the challenges and the goals that are yet to be achieved as well as the future perspectives of that educational policy. This article can give contribution to the area of studies touching on diversity in education of ethnically different minorities.

Lynch, M. (2014). The Call to Teach: Multicultural Education. *HuffPost Education*. Retrieved from <http://www.huffingtonpost.com/>

This article explores the term "multiculturalism" in details and it also examines the meaning of multiculturalism in K-12 classrooms. The article asserts that

multiculturalism is not just about a classroom with different skin color but also a careful assessment of the parenting styles, neighborhoods, and general experiences which shape every K-12 student. Diversity is present even in mainstream society. Therefore, students must have the communication skills which multicultural education promotes. This article is useful in examining ~~ways~~ in which educators can ~~introduce~~ multiculturalism within K-12 classrooms.

Multicultural Bibliography:

Multicultural Literature for Children and Young Adults: 1991-1996 Ginny Moore Kruse, Kathleen T. Horning, 1991 A selected bibliography of literature from 1980-1990 by and about African Americans, Amer Indians, Asian Americans, and Hispanic Americans. Covers history, people and places, poetry, folklore, mythology, and traditional literature, seasons and celebrations, books for babies, concept books, issues in today's world, biographies, understanding oneself and others, picture books, fiction for new readers, young readers, and teenagers. Appendices lists authors and illustrators of color by ethnic origin, ethnic cultural groups by country and recommended resources.

Multicultural Bibliography Judith L. Kollar, 1993 With its focus on well-executed works, this bibliography is meant to provide teachers with easy access to a wide assortment of books that will not only develop students' multicultural perspectives but will also enhance literature-based studies in all subject areas and thus can be profitably integrated into existing curricula without the need for major revision or sacrificing quality. Within the following pages can be found books focused on cultures originating in all the major geographic regions of the world as well as works describing the experiences of Americans in all their multicultural variety.

Introduction **The Multicultural Education Debate in the University** Joan Nordquist, 1992 **Multiculturalism: Oxford Bibliographies Online Research Guide** Oxford University Press, 2010-05-01

This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books, chapters and journal articles to online archives, electronic data sets and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated. A reader will discover, for instance, the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic. In social work as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from Oxford Bibliographies Online Social Work, a dynamic, continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work. Oxford Bibliographies Online covers most subject disciplines within the social sciences and humanities. For more information, visit www.oxfordbibliographies.com.

Multicultural Children's Literature Ambika Gopalakrishnan, 2010-04-22 Preparing K-12 teachers to address today's social, cultural, and critical issues using multicultural children's books. Written in an engaging style, this comprehensive text prepares K-12 teachers to address a wide range of contemporary social issues such as violence, gender, war, terrorism, child labor, censorship, and disabilities through multicultural children's literature. Each chapter includes sample lessons, plans, and designed to encourage critical and creative thinking at the elementary and secondary levels and an annotated bibliography.

that makes it easy for teachers and librarians to choose multicultural children books that address specific critical issues Key Features The evolution of multicultural children s literature is covered including discussion of controversies and issues around its definitions and uses Reflection Questions for the Teacher provide readers with practical techniques they can use as they prepare lessons around a given critical issue Sample Response Lessons demonstrate how to address critical issues using multicultural literature in K 12 classrooms An Annotated Bibliography at the end of each chapter lists specific multicultural children s books organized around each critical issue Writers of Multicultural Fiction for Young Adults M. Daphne Kutzer,1996-01-09 Multicultural fiction is an essential part of the American literary landscape This reference helps scholars teachers and librarians choose significant texts from both the past and present and provides guidance in approaching multicultural issues as they are discussed in fiction for young adults Included are entries for 51 writers some of whom have nearly been forgotten others who are just emerging Each entry provides biographical critical and bibliographical information while a general bibliography of works on multicultural literature concludes the book Authors included range from the nearly forgotten such as Laura Adams Armer to the newly discovered such as Graham Salisbury winner of the 1994 Scott O Dell Award for Historical Fiction The breadth of authors covered ensures an historical context for the issues raised by multiculturalism and the sections on the critical reception of each author address such important issues as the authority and authenticity of the writer to comment on a different culture Contributors are of many different ethnicities and include important scholars of children s literature lending authenticity and authority to the volume itself **A Bibliography of Australian Multicultural Writers** Sneja Marina Gunew,1992 Bibliographic details of Australian multicultural writers

Multicultural Writers from Antiquity to 1945 Alba Amoia,Bettina L. Knapp,2001-10-30 The final decades of the 20th century have seen an explosion of interest in multiculturalism But multiculturalism is more than an awareness of the different cultures comprising contemporary societies For centuries people from around the world have come in contact with cultures other than their own and their exposure to multiple cultures has fostered their creativity and ability to make lasting contributions to civilization The effects of multiculturalism are especially apparent in literature since writers tend to be particularly aware of their environments and record their experiences This reference includes alphabetically arranged entries for more than 100 world writers from antiquity to 1945 who were significantly influenced by cultures other than their own Included are entries for major canonical Ancient and Modern writers of the Western and Eastern worlds Each entry is written by an expert contributor and includes a brief biography a discussion of multicultural themes and contexts a summary of the writer s critical reception and primary and secondary bibliographies By illuminating the shaping influence of multiculturalism on these writers the volume points to the lasting value of multiculturalism in the contemporary world

Multiculturalism in the College Curriculum Marilyn Lutzker,1995-03-18 Emphasizing that diversity in the curriculum is as much about a way of thinking as it is about specific information Lutzker presents a compendium of innovative and

practical classroom strategies and widely available information resources which will enable faculty to increase the multicultural content of their courses without necessarily making major changes in their accustomed methods of teaching This is a handbook for college faculty in all disciplines who would like to increase the multicultural content of their courses but have been reluctant to do so for a variety of reasons including an already overloaded syllabus a lack of background in the subject uncertainty about student reactions or lack of time to make substantial changes in an existing syllabus Administrators anxious to increase diversity in the curriculum of their institutions but unable to fund large scale curriculum revision projects will also find this volume useful Part I is concerned with classroom strategies and with student research projects Starting with discussions of objectives and priorities the underlying role of critical thinking and the importance of language sensitivity the book then describes specific classroom strategies useful for increasing diversity The subsequent chapters are devoted to discussions of general guidelines for developing student projects with a multicultural perspective innovative alternatives to the traditional term paper and suggestions for multicultural student projects which do not require library research Part I concludes with a discussion of possible student reactions to increased multiculturalism and suggested approaches to those reactions Part II is concerned with information resources which will be useful to instructors and to students Fully annotated lists are provided in a variety of areas including widely available primary sources specialized biographical directories sources for sample syllabi in all disciplines guides to ethnic and foreign press to films and videos and to electronic resources Part II concludes with a discussion designed to increase efficiency in using the library catalog to locate information in multicultural subject areas Appendices provide sample research worksheets a list of small publishers and distributors of multicultural books and an annotated bibliography
