## **Multiple Identities Of The Middle East:**

The Multiple Identities of the Middle East Bernard Lewis,1999 The Middle East is the birthplace of ancient civilizations but most of the modern states that occupy its territory today are of recent origin as are many key concepts of communal and individual identity and loyalty that the peoples of the region now confront In The Multiple Identities of the Middle East eminent Middle East historian Bernard Lewis elucidates the critical role of identity in the domestic regional and international tensions and conflicts of the Middle East today Examining religion race and language country nation and state Lewis traces the rapid evolution of the identities of the Middle Eastern peoples from the collapse of the centuries old Ottoman Empire in 1918 to today s clash of old and new allegiances He shows how during the twentieth century imported Western ideas such as liberalism fascism socialism patriotism and nationalism have transformed Middle Easterners ancient notions of community their self perceptions and their aspirations To this fascinating historical portrait Lewis brings an understanding of the region and its peoples as well as a profound sympathy for the plight that the modern world has imposed on them The result is an invaluable tool in our understanding of an area that is of increasing global importance and concern today *Identity and Foreign Policy in the Middle East* Shibley Telhami,Michael N. Barnett,2002 Shibley Telhami and Michael Barnett together with experts on Egypt Iran Iraq Israel Jordan and Syria explore how the formation and transformation of national and state identities affect the foreign policy behavior of Middle Eastern states

**Rethinking Statehood in the Middle East and North Africa** Abel Polese,Ruth Hanau Santini,2020-05-21 Alternative forms of government and statehood exist in the Middle East and North African regions The chapters in this volume demonstrate this and explore the notion of power from a non statist perspective highlighting the limits of states and their governance Using empirical evidence from Syria Libya Lebanon Tunisia Iraq Yemen and Mali the authors explore non standard cases where power may be retained by a state but must be shared with a number of local actors resulting in limited statehood and hybrid governance which leads to competition and sharing of symbolic and political power within a state This book is intended to prompt a critical reflection on the meaning of governance It will illuminate informal structures which deserve attention when studying governance and power dynamics within a state or a region This book was originally published as a special issue of Small Wars Insurgencies *The Societies of the Middle East and North Africa* Sean Yom,2019-05-17 This new textbook explores the societies and populations of the Middle East and North Africa Presenting original chapters written by the world s leading Middle East scholars it analyzes the social fabric of the region s varied countries to uncover the organizing structures human vulnerabilities and dynamic forces that shape everyday lives The volume can be used in conjunction with The Government and Politics of the Middle East and North Africa textbook for a comprehensive overview of the region Whether used as a companion text or a standalone volume this work provides the historical and cultural context necessary for understanding the peoples inhabiting Arab world Israel Turkey and Iran since the early twentieth century Linking past to present to future it also ascertains the ongoing

developmental trajectories of these societies including their overall stability and prosperity The chapters are clearly structured and contain insightful case studies illustrative photographs and visualized data They also end with discussion questions and annotated bibliographies to help spark further research Among the rich topics covered are the following Rural life Civil society and personal identities Economic challenges oil legacies environmental harm Religious movements women and gender and youth politics The Societies of the Middle East and North Africa is written in an accessible way prioritizing social cultural and economic dimensions As such this textbook provides a comprehensive introduction to the field and will be invaluable to students of Middle Eastern politics and society as well as sociology history economics and anthropology
