**Museo Nacional de la Muerte**

## **Multicolored Mirror:**

**Young Adult Fiction by African American Writers, 1968-1993** Deborah Kutenplon, Ellen Olmstead, 2014-04-08

Comprehensive and up to date The first contemporary publication to go beyond examining broad themes and trends in the field this timely volume looks closely at specific authors and texts The book is comprehensive and as current as possible covering works by African American authors for young adults published between 1968 1993 some 200 titles by close to 50 writers In addition to established authors and bestselling titles the coverage includes material overlooked by previous studies such as works from small presses and talented new authors Guidelines for evaluation An extensive introduction reviews important milestones in this body of literature and analyzes noteworthy bibliographical and critical publications about such writing It includes suggested guidelines for evaluating a work in terms of its direct and indirect treatment of such issues as race gender class ability age sexuality and sexual orientation The book also offers specific guidance for determining the appropriate readership for a work with regard to age and gender Unusually extensive annotations The main body of the book is an annotated bibliography alphabetical by author with the works arranged chronologically by publication date The annotations are much more extensive than those in other bibliographies Each annotation reads more like a full length book review and is from one to two pages long and explores themes plot and character development evaluates the quality of the writing judges the handling of issues of race class and gender and provides a readership recommendation Written in accessible language this user friendly book presents a wide range of factual information evaluations and analyses It is a valuable tool for all teachers librarians counselors and young adults

**Handbook of Instructional Practices for Literacy Teacher-educators** Joyce E. Many, 2001-01-01 This volume offers a unique glimpse into the teaching approaches and thinking of a wide range of well known literacy researchers and the lessons they have learned from their own teaching lives The contributors teach in a variety of universities programs and settings Each shares an approach he or she has used in a course and introduces the syllabus for this course through personal reflections that give the reader a sense of the theories prior experiences and influential authors that have shaped their own thoughts and approaches In addition to describing the nature of their students and the program in which the course is taught many authors also share key issues with which they have grappled over the years while teaching their course others discuss considerations that were relevant during the preparation of this particular syllabus or describe how it evolved in light of student input The book is organized by areas within literacy education reading English language arts literature emergent literacy content area literacy literacy assessment and instruction literacy and technology and inquiries into literacy theory and classroom practice It is accompanied by an interactive Web site <http://msit.gsu.edu/handbook> This online resource provides additional information about the authors courses including complete syllabi recommended readings grading rubrics and sample assignments Readers are invited to respond and contribute their own syllabi and teaching experiences to the discourse generated by the volume
