WINNER OF THE PULITZER PRIZE

A MULTITUDE OF SINS

A black and white photograph of Grand Central Terminal. Several large, bright, conical beams of light shine down from the high, vaulted ceiling onto a crowd of people gathered in the main hall. The architecture features large, ornate columns and a series of arched windows. The scene is filled with people, some standing in groups, others walking, creating a sense of a busy, public space.

Multitude Of Sins Stories:

A Multitude of Sins Richard Ford, 2010-09-03 Only a storyteller as agile as Richard Ford could produce stories so rich and diverse on a single grand theme love intimacy and their dramatic failures With felicity humour insight and painful candour **A Multitude of Sins** exposes our failure to be sincere empathetic patient honest passionate ultimately to be loving to those we desire or should merely care for In this fine collection human relations indeed our entire sense of right and wrong are put into vivid and unforgettable play **A Multitude of Sins** Jessica Michele Young, 2008 [A Multitude of Sins](#) Richard Ford, 2002-08 [Morality, Identity and Narrative in the Fiction of Richard Ford](#) Brian Duffy, 2008 **Morality Identity and Narrative in the Fiction of Richard Ford** is only the second monograph on the work of Richard Ford and the only one to deal with all three Frank Bascombe novels The book offers comprehensive readings of the trilogy and the stories of **Women with Men** and **A Multitude of Sins** thus bringing critical work on Ford up to date It draws on the moral theories of Alasdair MacIntyre and Charles Taylor and on the work on narrative and identity of French philosopher Paul Ricoeur But it also explores in detail the portrait of contemporary American society and culture offered in the trilogy **A multitude of sins, Richard Ford** Patrick Badonnel, Claude Maisonnat, 2007 A sequel to **Rock Springs** and **Women with Men** the collection of short stories entitled **A Multitude of Sins** was published in 2001 and immediately achieved worldwide recognition If this series of ten short stories seems to feature adultery it would be a major mistake to believe that the stories can be reduced to what is actually a side issue or a pretext to something else sometimes of much greater importance As often with great writers Richard Ford tackles several other topics along with the sin of unfaithfulness which is a base camp from which to go further up into the knowledge of human deficiency lack and want Pondering these sins Richard Ford lays them all bare while often unveiling the issue of the story right from the beginning instead of cautiously preserving it as a last chance literary trick to pull it off at the fast moment Showing insight through observation his writing is deceptive in as much as it seems natural and easygoing when it requires close analysis and several successive readings to yield up its literary and humane secrets The comparison some critics have made to Chekhov is not overblown and Agregation students certainly among the most perceptive readers in the world should naturally enjoy both reading and studying **A Multitude of Sins** pleasure and scholarship being complementary not antagonistic The exclusive interview of Richard Ford at the end of the book will certainly be appreciated by Agregation students who will thus be able to finish off their knowledge of Ford's works
