Murder and Mayhem James Smallwood,Barry A. Crouch,Larry Peacock,2003 In the states of the former Confederacy Reconstruction amounted to a second Civil War one that white southerners were determined to win An important chapter in that undeclared conflict played out in northeast Texas in the Corners region where Grayson Fannin Hunt and Collin Counties converged Part of that violence came to be called the Lee Peacock Feud a struggle in which Unionists led by Lewis Peacock and former Confederates led by Bob Lee sought to even old scores as well as to set the terms of the new South especially regarding the status of freed slaves Until recently the Lee Peacock violence has been placed squarely within the Lost Cause mythology This account sets the record straight For Bob Lee a Confederate veteran the new phase of the war began when he refused to release his slaves When Federal officials came to his farm in July to enforce emancipation he fought back and finally fled as a fugitive In the relatively short time left to his life he claimed personally to have killed at least forty people civilian and military Unionists and freedmen Peacock a dedicated leader of the Unionist efforts became his primary target and chief foe Both men eventually died at the hands of each other s supporters From previously untapped sources in the National Archives and other records the authors have tracked down the details of the Corners violence and the larger issues it reflected adding to the reinterpretation of Reconstruction history and rescuing from myth events that shaped the following century of Southern politics **The Murders That Made Us** Bob Calhoun,2021-05-04 The 170 year history of the San Francisco Bay Area told through its crimes and how they intertwine with the city s art music and politics In *The Murders That Made Us* the story of the San Francisco Bay Area unfolds through its most violent and depraved acts From its earliest days when vigilantes hung perps from downtown buildings to the Zodiac Killer and the kidnapping of Patty Hearst murder and mayhem have shaped the city into the political and economic force that she is today The Great 1906 Earthquake shook a city that was already teetering on the brink of a massive prostitution scandal The Summer of Love ended with a pair of ghastly drug dealer slayings that sent Charles Manson packing for Los Angeles The 1970s come crashing down with the double tragedy of Jonestown and the assassination of Gay icon Harvey Milk by an ex cop And the 21st Century rise of California Governor Gavin Newsom Trump insider Kimberly Guilfoyle and Vice President Kamala Harris is told through a brutal dog mauling case and the absurdity called Fajitagate It s a 170 year saga of madness corruption and death revealed here one crime at a time *Murdering Holiness* Jim Phillips,Rosemary Gartner,2011-11-01 *Murdering Holiness* explores the

story of the Holy Roller sect led by Franz Creffield in the early years of the twentieth century In the opening chapters the authors introduce us to the community of Corvallis Oregon where Creffield a charismatic self styled messiah taught his followers to forsake their families and worldly possessions and to seek salvation through him As his teachings became more extreme the local community reacted Creffield was tarred and feathered and his followers were incarcerated in the state asylum Creffield himself was later imprisoned for adultery but shortly after his release he revived the sect This proved too much for some of the adherents families and in May 1906 George Mitchell the brother of two women in the sect pursued Creffield to Seattle and shot him dead The authors take us into the courtroom for the trial that made headlines across North America as Mitchell was acquitted of murder Though the formal plea was insanity the defence built its case on the unwritten law that justified killing to protect or avenge family honour Based on court records and archival sources this case study includes a detailed examination of the trial the media s response to it and the dramatic aftermath and sheds light on the rise of ardent religion in the Pacific Northwest the justice system in Seattle and the role of the press in influencing public opinion
