[The Enterprising Musician's Legal Toolkit](#) David R. Williams, 2020-09-15
The Enterprising Musician's Legal Toolkit is a guide for navigating the foundational decisions to effectively launch and successfully operate a creative enterprise. Using accessible language, the book demystifies business and legal jargon and empowers entrepreneurial musicians through step-by-step instructions. Expanding upon *The Enterprising Musician's Guide to Performer Contracts*, David R. Williams addresses for-profit legal structures including sole proprietorships, partnerships, limited liability companies, and corporations. Alternative business models such as nonprofit organizations and newer hybrid structures (B Corps, L3Cs, and Social Purpose Corporations) are also covered. Compliance matters, how to protect your interests in artistic collaborations, music licensing, income streams, copyright basics, and steps for federal registration are also included. The book also contains annotated samples of commonly used music industry contracts, including independent contractor agreements, non-disclosure confidentiality agreements, commission agreements, releases, and more.

Mastering Google Home Adidas Wilson, Google Assistant is a digital helper that understands audio commands or questions. Other companies have their digital assistants. For example, Apple has Siri and Amazon has the Alexa assistant. Microsoft also owns the Cortana smart digital assistant. The unique aspect about the Google assistant is its ability to hold a conversation. Other assistants give answers to a single question without answering follow-up questions. Google assistant has the ability to hold a conversation. You can ask about specific searches or questions and get answers. Google assistant has the ability to store questions if you are offline until you can access the Internet. Other online assistants do not have this ability. They work only if you are online.
