Next President:

Who Will Be the Next President? Alexander S. Belenky, 2016-11-15 This book is open access under a CC BY 4.0 license. This book addresses the peculiarities of the current presidential election system not yet addressed in other publications. It argues that any rules for electing a President that may have a chance to replace the current ones should provide an equal representation of states as equal members of the Union and of the nation as a whole. This book analyzes the National Popular Vote plan and shows that this plan may violate the Supreme Court decisions on the equality of votes cast in statewide popular elections held to choose state electors. That is, the National Popular Vote plan may violate the Equal Protection Clause of the Fourteenth Amendment. The book proposes a new election system in which the will of the states and the will of the nation as a whole are determined by direct popular elections for President and Vice President in the 50 states and in D.C. This system would elect President a candidate who is the choice of both the nation as a whole and of the states as equal members of the Union. b) would let the current system elect a President only if the nation as a whole and the states as equal members of the Union fail to agree on a common candidate and c) would encourage the candidates to campaign nationwide. The second edition has been updated to include a proposal on how to make established non-major party presidential candidates and independent candidates welcome participants in national televised presidential debates with the major party candidates.

Locutions to the World 2014 - Messages from Heaven about the near Future of our World Jesus Christ, Virgin Mary, 2016-04-07 Messages from Heaven about the near Future of our World. By our Lord and Saviour Jesus Christ and our Mother of Salvation Holy Virgin Mary. Virgin Mary is God's Final Preacher. God is always trying to lead man away from self-destruction. He sends his preachers. He sends his teachers. But these are snuffed out. Their words are not listened to and their invitations are rejected. So finally he has sent me. I am his final teacher, his final prophet. I am his last opportunity to change the course of history. There is no one behind me, no other message, no other signs than the ones that I will give. When I tell the world that it must listen to me, I am not speaking from a selfish and arrogant spirit. I am speaking as one who sees the destruction, the hopelessness of mankind if my words are not heeded. The fourth of five books from 2011 until 2015. **The Nation**, 1872 **New Outlook**, 1907 **The Gallup Poll** Frank Newport, 2019-01-31 This work is the only complete compilation of polls taken by the Gallup Organization, the world's most reliable and widely quoted research firm in calendar year 2016. It is an invaluable tool for ascertaining the pulse of American public opinion as it evolves over the course of a given year and over time documents changing public perceptions of crucial political, economic and societal issues.
