book an object of beauty in itself does full justice to this unique exhibition **A Lifelong Passion** Nicholas II (Emperor of Russia), Empress Alexandra (consort of Nicholas II, Emperor of Russia), Andrei Maylunas, 1996 In the darkest days of the Stalinist era of the Soviet Union when all talk of the Romanovs was punishable at the very least by banishment to Serbia a group of archivists were exempt They sorted and filed the thousands of letters and photographs of the last Tsar of Russia Nicholas II his wife Alexandra a granddaughter of Queen Victoria and their five children In all some 13 000 letters have survived Those between 1889 and 1914 have never before been published They run the gamut from matters of state to intimate expressions of love and longing In addition there are the letters of their four daughters and their only son the haemophiliac Alexis whose health was to introduce the crucial and some say malign influence of Rasputin The editors also draw on Nicholas's diaries letters to his mother and the diaries and memoirs of their close contemporaries It includes first hand accounts of the murder of Rasputin in 1916 and the assassination of the Romanovs at Ekaterinburg in 1918

**Nicholas and Alexandra** Michel (Prince of Greece), 1992 In the summer of 1918 Tsar Nicholas II his Tsarina Alexandra and their five children were executed by firing squad at Ekaterinburg The unique and revealing photographs in this book illustrate the intimate family life of the last ruling Romanovs from 1896 shortly after the marriage of Nicholas and Alexandra to the family's house arrest at Tsarskoye Selo palace in 1917 shortly before their death These photographs have been selected from thousands taken by the Tsarina and her five children which were mounted in their own and the Tsars personal albums The albums have until now remained hidden for over seventy years in government archives in Moscow Whilst researching his book Imperial Palaces of Russia in the Autumn of 1990 Prince Michael of Greece was puzzled by an invitation to view material in the government archives Thirty thick leather bound volumes embossed with the Imperial monogram awaited him the private photograph albums which the curators wanted to show first to a relative of the Romanov family Through his selection of images from the family albums the author here tells the story of the last Tsar one of the saddest of twentieth century politics Nicholas II was a man both unprepared and ill equipped to rule the greatest empire in the world and under the influence of Alexandra the wife he so adored he led Russia to disaster But theirs was also an extraordinary love story as the three hundred photographs in this book reveal Away from the responsibilities of Empire we see a close and loving family of simple tastes and great candour The photographs clearly illustrate the personalities of Nicholas and Alexandra and of their four daughters Olga Tatiana Maria and Anastasia and beloved son and heir Alexis who suffered from haemophilia and whose every move was carefully watched The family were keen and sometimes talented amateur photographers who took their own cameras with them everywhere be it on family picnics or on state occasions The book thus illustrates a fascinating transition from the joy and relaxation of the early years through the tension caused by the Tsarevich's illness to the stresses and anxiety of the First World War and the coming Revolution These photographs provide a new perspective on the life of the Imperial family and constitute an invaluable historical document The Complete Wartime
