Monastic Way

Francis Wagner

Monastic Way:

The Monastic Way Hannah Ward, 2013-01-25 A book of daily readings drawn from the writings of those who have lived the monastic life in all the major spiritual traditions of the Eastern and Western Churches Benedictine Franciscan Orthodox Carmelite and others For each month there is a specific theme Starting Out Seeking Guidance Living With Others Balancing Life and so on through the year Each theme is introduced by quotations from one of the great monastic Rules and for each day of the year there is an excerpt from the writings of a huge variety of men and women stretching across the centuries from 5th century Desert Mothers to Basil Hume Joan Chittister Thomas Merton and many more familiar and new names This is a book for all who are looking to an ancient rooted wisdom for practical guidance on living in the world today **Come and See** Brendan Freeman, 2010-04-01 Come and See is a look inside the mind of a monk The Vision of monastic life

proposed here is not new it is a Vision going back to the Desert Fathers of the fourth century And yet it is new because it is rooted in a place in the soul that never grows old Come and see where I live Jesus said to the disciples who were following him He could just as well have said come and see where you live where your real life is being lived Monastic spirituality is not some esoteric or Gnostic way of perceiving reality or understanding life It is a treasure hidden in the field of your own heart it is a universal spirituality that is the common inheritance of every human being it is a search for God From the atheist to the saint there is in the heart of all creatures a desire for ultimate meaning a desire for God In this sense everyone has the heart of a monk As you read this book you will meet some of the great themes of monastic life silence solitude community life prayer You will also be helped to find your most authentic self the self Thomas Merton spoke of when he said at the center of our being is a point of nothingness a point of pure truth Nothingness emptiness absence are important aspects of our spiritual journey There is a subtheme running through ancient monasticism that conceives of the monastery as a hospital a place for healing the soul the spirit the heart The place of the heart is highlighted in these conferences and homilies as an ancient theme so relevant to the modern person

Sacred Rhythms Francis Wagner, 2014-08-26 Sacred Rhythms The Monastic Way Every Day is a compilation of reflections originally published in our Notes from a Monastery series Gathered here under the themes of prayer work faithfulness and conversion these meditations showcase the knowledge of religious and lay authors familiar with the Benedictine way of life

Monastic Perspectives on Temporality

Riitta Hujanen, 2023-08-07 In this book Riitta Hujanen explores temporality in the context of Catholic enclosed contemplative traditions It investigates based on literature and other sources what enclosed contemplatives might say about temporality through their monastic journeys What makes a young person decide to dedicate their life inside a cloister Do contemplatives have a preference for eternity over temporal time How does the enclosed contemplative life impact one's concept of time How is time perceived towards the end of one's monastic journey What is seen when looking back to the years in the enclosed contemplative life What is experienced at the hour of death The answers to these questions illustrate a paradoxical

dynamic in monastic journeys that cover a broad historical scope from the earliest monastic writers to contemporary sources

The Glory of Monastic Life Swami Bhajanananda, This book discusses the traditional modes of monasticism and compares them with the modern monastic way of life as seen in the Ramakrishna Order With the changing times monasticism too has to grow and assume new forms to adapt to the new situations Sri Ramakrishna and Swami Vivekananda brought about this change in the outward form of Indian monasticism without deviating from the eternal principles Here the readers will get an overview of monasticism in general and the Ramakrishna monasticism in particular Published by Advaita Ashrama a publication house of Ramakrishna Math Belur Math India **The Monastic Way** M.
