## New York Exposed:

New York Exposed Daniel Czitrom,2016-04-07 Animated by a vivid cast of characters ranging from the bosses of Tammany Hall to prostitutes and counterfeiters to the do gooders determined to change business as usual Daniel Czitrom s New York Exposed offers an unforgettable portrait of a formative moment when muckraking journalism and urban reform were beginning to alter the American social and political landscape    Supreme Court of the State of New York Appellate Division - Third Department ,    Rogues' Gallery John Oller,2022-09-20 From the beginnings of big city police work to the rise of the Mafia Rogues Gallery is a colorful and captivating history of crime and punishment in the bustling streets of Old New York Rogues Gallery is a sweeping epic tale of two revolutions one feeding off the other that played out on the streets of New York City during an era known as the Gilded Age For centuries New York had been a haven of crime A thief or murderer not caught in the act nearly always got away But in the early 1870s an Irish cop by the name of Thomas Byrnes developed new ways to catch criminals Mug shots and daily lineups helped witnesses point out culprits the famed rogues gallery allowed police to track repeat offenders and the third degree interrogation method induced recalcitrant crooks to confess Byrnes worked cases methodically interviewing witnesses analyzing crime scenes and developing theories that helped close the books on previously unsolvable crimes Yet as policing became ever more specialized and efficient crime itself began to change Robberies became bolder and more elaborate murders grew more ruthless and macabre and the street gangs of old transformed into hierachal criminal enterprises giving birth to organized crime including the Mafia As the decades unfolded corrupt cops and clever criminals at times blurred together giving way to waves of police reform at the hands of men like Theodore Roosevelt This is a tale of unforgettable characters Marm Mandelbaum a matronly German immigrant woman who paid off cops and politicians to protect her empire of fencing stolen goods Clubber Williams a sadistic policeman who wielded a twenty six inch club against suspects whether they were guilty or not Danny Driscoll the murderous leader of the Irish Whyos Gang and perhaps the first crime boss of New York Big Tim Sullivan the corrupt Tammany Hall politician who shielded the Whyos from the law the suave Italian Paul Kelly and the thuggish Jewish gang leader Monk Eastman whose rival crews engaged in brawls and gunfights all over the Lower East Side and Joe Petrosino a Sicilian born detective who brilliantly pursued early Mafioso and Black Hand extortionists until a fateful trip back to his native Italy Set against the backdrop of New York s Gilded Age with its extremes of plutocratic wealth tenement poverty and rising social unrest Rogues Gallery is a fascinating story of the origins of modern policing and organized crime in an eventful era with echoes for our own time    The New York Supplement ,1902    New York Supplement ,1897 Includes decisions of the Supreme Court and various intermediate and lower courts of record May Aug 1888 Sept Dec 1895 Superior Court of New York City Mar Apr 1926 Dec 1937 Jan 1938 Court of Appeals    **Records & Briefs New York State Appellate Divsion** ,    **The Maryland Campaign of September 1862** Ezra Ayers Carman,2008 Completed in the early 1900s The Maryland Campaign of

September 1862 is still the essential source for anyone seeking understanding of the bloodiest day in all of American history. As the U.S. War Department's official expert on the Battle of Antietam, Ezra Carman corresponded with and interviewed hundreds of other veterans from both sides of the conflict to produce a comprehensive history of the campaign that dashed the Confederacy's best hope for independence and ushered in the Emancipation Proclamation. Nearly a century after its completion, Carman's manuscript has finally made its way into print in an attractively packaged one volume edition, painstakingly edited, annotated, and indexed by Joseph Pierro. This edition, the first to publish the entire Carman manuscript including the fifteen appendices, is designed for ease of use with standardized punctuation and spelling and conveniently footnoted explanations wherever necessary. The Maryland Campaign of September 1862 is a crucial document for anyone interested in delving below the surface of the military campaign that forever altered the course of American history and is still the only complete edition of Carman's work on the market. Due to an unfortunate case of mistaken identity, the man currently appearing in the frontispiece of The Maryland Campaign of September 1862 is not the actual Ezra Carman but someone who looks remarkably similar to him. The real Mr. Carman can be found at <http://www.loc.gov/pictures/item/cwp2003001783>. We apologize for the mistake and will correct this error in further printings.
