[Legends of the Jungle](#) Mark Powell, 2017-03-24 Boomer Esiason still holds the Cincinnati Bengals record for most passing yards in a game and is tied for the most 300 yard passing games. Jim Breech is the team's all time leading scorer in points and remains a beloved figure more than twenty years after his retirement. Cris Collinsworth led the team in receptions and receiving yards several times in the 1980s and topped the team in receiving touchdowns three times. But these great players and many others aren't in the Bengals Hall of Fame and it's for a simple reason. It does not exist. That needs to change according to die hard fan Mark Powell. By creating its own Hall of Fame or Ring of Honor the team would be paying tribute to its great players and personalities. But it would need to determine who is eligible and who should be honored first. Porter, 1995-10-30 African American athletes have played a significant role in the development and popularity of American professional sports and have encountered numerous obstacles on the road to athletic success. This is the first comprehensive multi-sport biographical dictionary of African Americans who reached the pinnacles of success in their sport. It contains more personal and career profiles of African American sports greats than are found in any other single source. Biographical profiles of 166 noted athletes, coaches and administrators in team and individual sports include both historical figures such as Jesse Owens and Satchel Paige and contemporary stars such as Charles Barkley, Ken Griffey Jr., Michael Jordan, Jackie Joyner Kersee, Shaquille O'Neal and Emmitt Smith. Forty-four sports historians contributed the colorfully written biographies which blend both personal background information and athletic career accomplishments. All information is current through the middle of 1995. The dictionary covers the contributions made by African American greats in football, baseball, basketball, track and field, boxing, wrestling, auto and stock car racing, golf, thoroughbred racing, tennis, cycling and figure skating. More than two thirds of the entries represent team sports. The dictionary is organized alphabetically by person. Each colorfully written profile is 800-1,000 words in length and traces the subject's personal life.

them The Nation's Capitol in commemorating last year's September 11th attacks was also preparing for an upcoming mayoral election. The current incumbent was expected to breeze toward reelection but what followed seemed like a page out of William Shakespeare's Comedy of Errors. This prompted a virtual unknown to launch a comedy contest to provide some comic relief for the city from this onslaught of negative news. Only four contestants remained to compete for the prize money. However, only Archie Harris, one of the four finalists, showed up at the finale. More bad news. What will happen now?
