

OPERATION CONDOR

Operation Condor

John Dinges

Operation Condor:

Predatory States J. Patrice McSherry, 2005-06-03 This powerful work makes a compelling case that U S forces secretly condoned and assisted the implementation of Operation Condor a covert Latin American military network created during the Cold War to facilitate the seizure and murder of political opponents across state borders Drawing on a wealth of primary sources J Patrice McSherry provides a hidden history of the Cold War through her analysis of the intelligence networks security structures coordinated operations and international connections of Condor Revealing new details of Condor operations and fresh evidence of links to the U S security establishment this controversial work offers an original analysis of the use of secret parallel armies in Western counterinsurgency strategies It will be a clarion call to all readers to consider the long term consequences of clandestine operations in the name of democracy

Operation Condor Charles River Charles River Editors, 2019-04-19 Includes pictures Includes online resources and a bibliography for further reading Let s say there were 7 000 or 8 000 people who had to die to win the war against subversion We couldn t execute them by firing squad Neither could we take them to court For that reason so as not to provoke protests inside and outside the country the decision was reached that these people should be disappeared General Jorge Rafael Videla For much of the 20th century South American governments in large part lived under a system of military junta governments The mixture of indigenous peoples foreign settlers and European colonial superpowers produced cultural and social imbalances into which military forces intervened as a stabilizing influence The proactive personalities of military heads and the rigid structures of such a hierarchy guaranteed the strong man commanding officer an abiding presence in the form of executive dictator Such leaders often bore the more collaborative title of President but the reality was in most cases identical Likewise the gap between rich and poor was often vast and a disappearance of the middle class fed a frequent urge for revolution reenergizing the military s intent to stop it With no stabilizing center the ideologies most prevalent in such conflicts alternated between a federal model of industrial and social nationalization and an equally conservative structure under privatized ownership and autocratic rule drawn from the head of a junta government Whichever belief system was in play for the major industrial nations of the continent a constant bombardment of foreign influence pushed the people of states such as Chile Brazil Argentina and others toward overthrow in one direction or the other From the left came Stalinist influences from the Soviet Union and Castro s Cuba while the German World War II model and an anti communist mindset from the United States worked behind the scenes to upset any movement toward extreme liberalism The reign of Juan Peron in Argentina became the most iconic such arrangement to the Western observer but General Augusto Pinochet s 17 year rule over Chile after an American supported coup in the 1970s proved the most enduring and the most resistant to eradication by subsequent leaders of an opposite bent Pinochet himself openly bragged My library is filled with UN condemnations By combating Marxists and Communists during the Cold War Pinochet ensured he would at the very least remain undisturbed by America even as he carried out policies that

would be labeled tyrannical by any objective measurement As writer Jacob C Hornberger put it while analyzing appraisals of Pinochet based on political background T error in the name of fighting terror is a grave criminal offense against humanity no matter what economic philosophy the state terrorist happens to hold The tacit acceptance of these right wing dictators across South America was part of an overarching effort known as Operation Condor consisting mostly of CIA operations that are as infamous and controversial as ever with a lasting legacy that affects current events such as reactions to the ongoing unrest in Venezuela Operation Condor The History of the Notorious Intelligence Operations Supported by the United States to Combat Communists across South America looks at the various intelligence operations and the winding chain of events that brought about conflicts in the region Along with pictures and a bibliography you will learn about Operation Condor like never before

The Condor Years John Dinges,2012-03-13 A compelling and shocking account of a brutal campaign of repression in Latin America based on interviews and previously secret documents The Miami Herald Throughout the 1970s six Latin American governments led by Chile formed a military alliance called Operation Condor to carry out kidnappings torture and political assassinations across three continents It was an early war on terror initially encouraged by the CIA which later backfired on the United States Hailed by Foreign Affairs as remarkable and a major contribution to the historical record The Condor Years uncovers the unsettling facts about the secret US relationship with the dictators who created this terrorist organization Written by award winning journalist John Dinges and updated to include later developments in the prosecution of Pinochet the book is a chilling yet dispassionately told history of one of Latin America s darkest eras Dinges himself interrogated in a Chilean torture camp interviewed participants on both sides and examined thousands of previously secret documents to take the reader inside this underground world of military operatives and diplomats right wing spies and left wing revolutionaries Scrupulous well documented The Washington Post Nobody knows what went wrong inside Chile like John Dinges Seymour Hersh

American Invasions: Canada to Afghanistan, 1775 to 2010 Rocky M. Mirza Ph.D,2010-09-02 American Invasions Canada to Afghanistan 1775 to 2010 is a thought provoking analysis of the reasons for American invasions and warmongering over the last two centuries Contrary to the views expressed by the Western media and Western historians the American Empire is not a force for the promotion of free thinking and democracy but instead a force for imperial conquests and imposed dictatorships through the use of a military industrial complex fed by the American Empire outspending the rest of the world combined on weapons of mass destruction The American Empire has used and will continue to use the most sophisticated weapons from nuclear bombs to bunker busting bombs to land mines to chemical and biological weapons on defenseless men women and children to feed its insatiable appetite for warmongering and imperial expansion It combines military bases around the world with military prisons used for torture and extraction of information Its navy patrols every corner of the globe and its planes can rain down bombs from the heavens on every civilian on the planet

Encyclopedia of Political Assassinations Nigel West,2017-08-07 With the recent declassification of secret documents

new light has been shed on old mysteries For example we now know that what might be termed the JFK assassination conspiracy industry was deliberately fueled and manipulated by the KGB so as to distract the CIA and undermine confidence in successive U S administrations Also new evidence continues to emerge of Vladimir Putin s commitment to the extra judicial elimination of extremists overseas as legitimized by the Duma in July 2006 Controversially the legislation included a definition of extremists as those slandering the individual occupying the post of president of the Russian Federation The Encyclopedia of Political Assassinations contains a chronology an introduction and appendixes The encyclopedia section has more than 700 cross referenced entries on assassinations intelligence agencies politics and foreign relations **The**

Feathers of Condor Fernando López,2016-08-17 On 25 November 1975 representatives of five South American intelligence services held a secret meeting in the city of Santiago Chile At the end of the gathering the participating delegations agreed to launch Operation Condor under the pretext of coordinating counterinsurgency activities sharing information to combat leftist guerrillas and stopping an alleged advance of Marxism in the region Condor however went much further than mere exchanges of information between neighbours It was a plan to transnationalize state terrorism beyond South America This book identifies the reasons why the South American military regimes chose this strategic path at a time when most revolutionary movements in the region were defeated in the process of leaving behind armed struggle and resuming the political path One of Condor s most intriguing features was the level of cooperation achieved by these governments considering the distrust animosity and historical rivalries between these countries armed forces This book explores these differences and goes further than previous lines of inquiry which have focused predominantly on the conflict between Latin American leftist guerrillas and the armed forces to study the contribution made by other actors such as civilian anticommunist figures and organizations and the activities conducted by politically active exiles and their supporters in numerous countries This broader approach confirms that the South American dictatorships launched the Condor Plan to systematically eliminate any kind of opposition especially key figures and groups involved in the denunciation of the regimes human rights violations *Operation Condor* Albert Norman,2009-09-15 It took Adolph Hitler ten years to hatch his plan for escape with Eva Braun from the ashes of a foundering Germany He needed the skills of a Lufthansa pilot Albert Wirth and his famous aviatrix wife Frieda The couple became caught up in a web of Hitler s design that took them on a dangerous journey to South America This novel by Albert Norman is the story of the Wirths love affair with each other and with the planes they flew It should appeal to aviation buffs since it is also tells of their pioneering work in long distance airline transport What happened to Adolph and Eva No one knows except for the Wirths and they aren t telling U.S. Economic Sanctions Against

Chile United States. Congress. House. Committee on Foreign Affairs Subcommittee on International Economic Policy and Trade,1981 *The Chile Reader* Elizabeth Quay Hutchison,Thomas Miller Klubock,Nara B. Journey to the Heart of the Condor Emily Creigh,Dr Martin

Almada,2016-02-25 Emily Creigh learned in November 1974 that she would spend the next two years and three months as a Peace Corps volunteer in Paraguay a developing Latin American country with quaint customs and tranquil people In fact terror reigned in the US backed banana republic with its benevolent dictator Alfredo Stroessner who had held the country in a state of siege for twenty years Just days after Emily learned of her assignment Martin Almada doctor of education and director of a renowned school in Paraguay became one of the first victims of Operation Condor the US backed secret accord among six Southern Cone countries in South America Members of Operation Condor would go on to pursue and eliminate tens of thousands of subversives i e opponents of the dictatorships within each other s borders Journey to the Heart of the Condor is the true account of a Peace Corps volunteer and a dedicated teacher who shared the same ideals yet found themselves on opposite sides of a dirty war in South America Based on her journals and letters Emily s poignant often humorous coming of age story unfolds against the backdrop of the regime s villainy as related by Dr Almada now a renowned human rights defender *Rommel's Spy* John Eppler,2014-09-02 In 1942 John Eppler was one of two German spies inserted behind British lines in Egypt after an epic crossing of the Western Desert organised by the Hungarian explorer Count L szl Alm sy Operation Condor But this was far from his first adventure Of German origin but raised since childhood in a wealthy Egyptian family and a convert to Islam he had travelled widely in the Middle East for German Military Intelligence The book details German links with Arab nationalists during the War indeed one of Eppler s contacts in Cairo was a young officer called Anwar el Sadat later President of Egypt Before Operation Condor Eppler had been the interpreter when the Grand Mufti of Jerusalem met Hitler in Berlin and the book gives a full description of this controversial encounter This story has inspired numerous films such as Foxhole in Cairo 1960 where John Eppler was played by Adrian Hoven and more recently Operation Condor was referenced in the Oscar winning The English Patient 1996 This is the genuine first hand account of one of the most daring missions of the Second World War *The Condor Trials* Francesca Lessa,2022-05-31 Stories of transnational terror and justice illuminate the past and present of South America s struggles for human rights Through the voices of survivors human rights activists judicial actors and experts The Condor Trials unravels the secrets of transnational repression masterminded by South American dictators between 1969 and 1981 Under Operation Condor the regimes of Argentina Bolivia Brazil Chile Paraguay and Uruguay closely monitored hundreds of exiles and kidnapped tortured murdered

or forcibly returned them to their countries of origin This cross border network designed to silence opposition in exile transformed South America into a borderless zone of terror and impunity Francesca Lessa shows how gradually transnational networks of activists materialized and effectively transcended national borders to achieve justice for the victims of these horrors Based on extensive fieldwork archival research trial ethnography and over 100 interviews *The Condor Trials* explores South America's past and present and sheds light on ongoing struggles for justice as its societies come to terms with the unparalleled atrocities of their not so distant pasts

The Rebecca Code Mark Simmons, 2011-11-30 John Eppler thought himself to be the perfect spy Born to German parents he grew up in Egypt adopted by a wealthy family and was educated in Europe Fluent in German English and Arabic he made the Hadj to Mecca but was more at home in high society or travelling the desert on camelback with his adopted Bedouin tribe After joining the German Secret Service in 1937 in 1942 he was sent across the desert to Cairo by Field Marshal Rommel His guide was the explorer and Hungarian aristocrat Laszlo Almasy a man made famous by the book *The English Patient* Eppler's mission was to infiltrate British Army Headquarters and discover the Eighth Army's troop movements and battle plans In *The Rebecca Code* Mark Simmons reveals the story of Operation Condor and its comedy of errors and how it was foiled by Major A W Sammy Sansom of the British Field Security Service It is a tale of the desert of the hotbed of intrigue that was 1940s Cairo and the spy who was to send his reports using a code based on Daphne du Maurier's novel *Rebecca*

New York Magazine, 1997-07-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
