Operation Intrigue:

Intrigues Gabriel Riera, 2006 This book examines the possibility of writing the other and explores whether an ethical writing that preserves the other as such is possible It also discusses what the implications are for an ethically inflected criticism Emmanuel Levinas and Maurice Blanchot whose works constitute the most thorough contemporary exploration of the question of the other and of its relation to writing are Riera's main focus Critics in recent years have discussed an ethical moment or turn characterized by the other's irruption into the order of discourse The other becomes a true crossroads of disciplines since it affects several aspects of discourse the constitution of the subject the status of knowledge the nature of representation and what that representation represses gender power Through close readings of texts by Heidegger Levinas and Blanchot this book examines how the question of the other engages the very limits of philosophy rationality and power

An Introduction to Casino Operations Management from a Compliance Perspective Gelitha J.

Ferguson, 2014-05-19 Casino Operations Management is an intriguing yet mystifying multi trillion dollar industry worldwide But little is known or documented about how this thriving industry is operated and managed What goes on behind the scenes of these operations For years casino operators were known for their connections to the underworld On the surface the intrigue and behind the scenes mystery of the operations of these entities could appear dark and sinister in the minds of many But individuals are sometimes drawn to darkness GamingInParadise.com is a virtual Casino Operations Management training conglomerate located in a land shrouded in mystery filled intrigue which is nestled on the Isle of Enchantment The Isle of Enchantment is a part of a chain of islands called the Bahamas which is comprised of 700 islands sprinkled over 100 000 square miles of ocean starting just 50 miles off the coast of Florida These beautiful islands have been described as another world where visitors can't tell where dreams begin and reality ends As you walk through the luscious landscape of the Isle of Enchantment you enter the unknown world of a gamers paradise About the Author First time author Gelitha J Ferguson of Nassau is an internationally certified compliance professional general counsel with a combined 24 year career in professional management in the regulatory and supervisory environments the gaming industry banking and finance compliance and anti money laundering terrorist financing solutions at regional and international levels She has extensive specialized training from leading regulatory institutions in the U S A Canada Switzerland London and the Bahamas Publisher's website <http://sbprabooks.com> GelithaJFerguson
