Operation Moses:

Redemption Song Louis Rapoport,1986 *Operation Moses* Tudor Parfitt,1985 **A Most Professional Experience**,2000 Operation Moses was an extraordinary rescue achieved by the Jewish world Efforts by a combination of the Israeli and U S governments and Israeli and U S based organizations resulted in this dramatic airlift of Ethiopian Jews to Israel This article describes the critical role of the United Israel Appeal and the Jewish Agency in this effort **Operation Moses** Tudor Parfitt,1985 **The Dream Behind Bars** Barukh Me'iri,2001 Personal stories shed light on the struggle of the Ethiopian Jews on their long road to Israel **Blackness and Jewishness - Ethiopian Jewry's Durability** Danny B. Admasu,2025-11-17 How did Israeli and Western Jews react to Ethiopian immigrants in Israel who are referred to as Black Jews The book addresses the question of what occurs when Jews choose whiteness and Black individuals choose Blackness by examining the case of Ethiopian Jews and their immigration to Israel from the mid 19th century to today This in depth holistic analysis of Ethiopian Jewish experience in Israel by an Ethiopian Jewish scholar provides a fresh necessary perspective on Black Jewish diaspora experiences on Jewish Studies and Black Studies theory **We'Re in Danger! Who Will Help Us?** James N. Purcell Jr.,2019-03-19 Victims of wars oppression and famine depend on well prepared interventions for their basic survival Yet in the twenty first century the world s conscience has gone dormant and governments have been left free to ignore or trivialize their moral obligations to humankind Caring societies cannot hide from these daunting humanitarian challenges As in the past only experienced bold leadership can marshal allies for proposed twenty first century solutions We re in DANGER Who Will HELP Us is the chronicle of one humanitarian leader s experience working on behalf of civilian victims of war oppression and famine fully revealed in American know how initiative and grit James N Purcell Jr writes from leadership perspectives gained directing global humanitarian organizations and shares his and his team s daring interventions into the humanitarian crisis in Indochina following the Vietnam War and in other world regions interventions that saved protected and restored the lives of millions of refugees Presidents feisty congressional debates and strong volunteer groups helped Purcell and his team marshal allies for twentieth century solutions and today he makes the case for the same unyielding spirit for humanitarian crises in Syria the Middle East Africa Asia and Central America Civilization s new test is whether we can help free the world s conscience and regain a sense of moral outrage purpose and resolve to face our responsibilities directly and to act As caring members of the international community we must determine our appropriate and equitable roles in solving systemic dysfunctions that bring people to the brink of despair and help those we can

HIGH ON THE MOUNTAIN B. V. Johnson,2014-07-29 High on the Mountain is a prophetic and historical documentation of the Jewish people Four thousand years ago the Jewish people were in an area which would two thousand years later be named by the Romans as Palestina God made a covenant with Abraham and his descendants that the land would be theirs forever Prophecy stated that the Jewish descendants would go into captivity Four hundred fifty years later

they were led from their Egyptian captivity and occupied the land of their fathers High on the mountain of Moriah was a city called Jerusalem which would become their capital city under David There was also a thirty five acre plot of land that had been dedicated as the Temple Mount and would become known to the world as the holiest plot of land in the world The Jewish people and their beloved city would survive until 587 BC when they were taken into captivity by the Babylonians They would return to the land that they considered their homeland They were almost completely destroyed by the Romans in AD 70 and would be scattered throughout the world The land became a desolation and unproductive just as prophecy had stated Although they have been subjected to a multitude of attacks cruelties persecutions and deaths by the millions they would again return to their beloved land and become the Nation of Israel They would reclaim their capital city of Jerusalem and the Temple Mount A land that was said to be dead forever would again flourish and become productive Why was this land so important What is their claim to the land Who actually owns the land How could a land become productive again and better than before What has the prophetic word of God said about this land and these people High on the Mountain will address all these questions and much more *Mossad Exodus* Gad Shimron,2007 In 1977 Israel s Mossad spy agency was given an assignment far different from its usual cloak and dagger activities It was ordered by then Prime Minister Menachem Begin to rescue thousands of Ethiopian Jewish refugees in Sudan and deliver them to me in the Jewish state **Secret Exodus** Claire Safran,2011-12-31 The story of the migration under conditions of extreme secrecy of some 16 000 Ethiopian Jews to Israel in which Israeli intelligence agents American diplomats international refugee organizations and Sudanese officials all had vital roles It is told by a Readers Digest roving editor who calls it the story of a good deed that even today almost no one wants to take credit for **African Affairs** ,1944 Murder in Mississippi Howard Ball,2004 Few episodes in the modern civil rights movement were more galvanizing than the 1964 brutal murders of Michael Schwerner Andrew Goodman and James Chaney As we approach the 40th anniversary of the murders in June 2004 Murder in Mississippi provides a timely and telling reminder of the vigilance democracy requires if its ideals are to be fully realized The United Presbyterian ,1907 **Release** ,1984 On Wings of Eagles Micha Feldmann,2012 This is a personal account of the coordinator of the Jewish Agency who helped thousands of Ethiopian Jews that were refugees in Sudan eventually immigrate to Israel during Operation Solomon in May 1991 Operation Moses Tudor Parfitt,1981 The Theology of the Old Testament Andrew Bruce Davidson,Stewart Dingwall Fordyce Salmond,1907 *A History of Farmington, Franklin County, Maine, from the Earliest Explorations to the Present Time, 1776-1885* Francis Gould Butler,1885 **INVISIBLE LIGHT, OR THE ELECTRIC THEORY OF CREATION** GEO. W. WARDER.,1900 From Tragedy to Triumph Mitchell G. Bard,2002-06-30 From 1984 to 1991 Israel conducted a series of dramatic rescues bringing thousands of Ethiopian Jews to the state of Israel Codenamed Operation Sheba this effort involved various covert means including large scale airlifts and exchanges for arms to save these Jews from intolerable conditions in Ethiopia and the Sudan But as dramatic and uplifting as this effort was there are still

troubling questions about why it took so many years for Israel to act on behalf its African compatriots This is the complete story behind the Israeli rescue of the Jews of Ethiopia how tragedy was turned into triumph These rescue operations represented the culmination of complex political maneuvering in Israel and illustrated what Israeli resolve can accomplish when Jewish lives are endangered It was an inspiring effort as William Safire wrote at the time thousands of black people are being brought to a country not as slaves but as citizens On the other hand there is much to deplore how long it took for the leaders of Israel to recognize and take action to save this ancient African branch of the Jewish Diaspora known as the Falasha The reasons are the result of the complex intersection of Israeli geostrategy pressure from the American Jewish community and Ethiopian domestic politics as well as racism and debates about the Jewishness of the Falasha community
