Marijuana in America James Hawdon, Bryan Lee Miller, Matthew Costello, 2022-03-29 This A-Z encyclopedia provides a broad and evenhanded overview of America's complex relationship with marijuana examining political, recreational, cultural, medical and economic aspects of marijuana use both historically and in the present day. Marijuana in America is an accessible and comprehensive exploration of the many changes in medical, legal and cultural issues surrounding cannabis in the United States. A mix of coverage provides readers with a full and accurate understanding of the spectrum of issues and controversies swirling around marijuana today including the changing legal landscape pertaining to the sale, possession and use of marijuana both at the state and federal levels, the factual basis for arguments for and against so-called medical marijuana, claims that marijuana is a gateway drug to harder drugs, changing cultural attitudes about marijuana and potheads, economic arguments for and against marijuana legalization and the impact of marijuana on families, communities, the economy and the criminal justice system.

Agency of Fear Edward Jay Epstein, 1990 President Bush has made the war against drugs the number one issue on the contemporary American political agenda. In this revised edition of his classic book available for the first time in paperback, Edward Jay Epstein argues that the president has adopted the strategy of his forebear Richard Nixon in using the drugs war to blame foreigners for the crisis in America's cities and to provide a smokescreen for unrelated political activity designed to bolster executive power. The drugs crackdown has seen an almost hundredfold increase in the federal budget for narco politics in the fifteen years since *Agency of Fear* was first published while statistics on drug running have been massaged. Epstein points out that despite the massive budgets and public relations brouhaha, drug importation as measured against wholesale price has in fact grown.

Weed: Adventures of a Dope Smuggler Jerry Kamstra,1974 Jerry Kamstra has been smuggling marijuana from Mexico into the United States since the early 1960s In 1966 which smuggling 200 kilos of mota the choicest part of the marijuana plant into Arizona from Michoaca he was arrested by U S Customs He was sentenced to two years in the federal penitentiary His sentence was suspended and he was placed on five years probation Sometime thereafter while Kamstra was living in San Francisco he was approached by Life magazine to take one of their photographers Eugene Anthony into the heart of Mexico to do what no gringo had ever accomplished to go up into the mountains where marijuana fields flourish and to photograph them and the campesinos who tend them the offer was too attractive from Kamstra to reject although he knew the journey was fraught with danger He sneaked out of San Francisco to avoid his probation officer and returned to Mexico This highly readable book is about marijuana and marijuana smuggling but it is also about Mexico itself What started out as a simple photographic expedition turned into a major smuggling operation involving a ton of marijuana and the hair raising means ocean and air used to bring the weed into the States This absorbing story reads like an adventure novel but it's all true From jacket flap The War on Drugs James A.
