My Special Gifts and Talents Everyone has something they do well. It may be in a sport or playing a musical instrument or even a particular subject like math. A person can even be good at making friends. Whatever a person does well can be a gift or talent. See if you can recognize your own gifts and talents.

Piecing a Quilt

Many emotions make up the person you are. It is important to be able to identify those emotions and know how to deal with them. Your emotions are like a patchwork quilt. Each of your emotions is pieced together to make up the whole you. Inside the patches on the quilt below draw a face showing different emotions you have felt. Make No Bones About It. Do your friends sometimes do or say things that make you feel uncomfortable? Maybe they say unkind things to other classmates. Or maybe they take the seat you were saving for someone and won't move when you ask them. Do you feel like you should speak up about it but are afraid? Here are some steps to take to help you speak up.

A Skeleton of My Former Self Independence is when you are able to take care of yourself. You are able to plan and make important decisions for yourself and you can make those decisions without falling apart or depending on others to bail you out emotionally. You are courteous, honest, and respectful of yourself and others. You are willing to take responsibility for your feelings, thoughts, and actions. You rely on others for help when necessary but do not cling to other people.
