The background is a vibrant blue digital landscape. On the left, a semi-transparent globe shows a grid of latitude and longitude lines. To the right of the globe, a red line graph trends upwards, with several vertical bars of varying heights representing data points. The foreground is a perspective view of a grid of glowing blue squares, some of which are connected by thin lines and feature small, bright light sources. A horizontal red line of light passes through the center of the image, creating a lens flare effect.
