Mark Twain In Eruption 1st Edition:

Eleven Nineteenth Century American Authors D. D. Zink, 1959 *Walt Whitman, Philosopher Poet* John W. McDonald, 2007-03-06 Was Walt Whitman celebrated poet of freedom and democracy a determinist at heart A close study of *Leaves of Grass* shows that Whitman consistently acknowledges the inevitability of all things As John McDonald argues this seeming contradiction lies at the heart of Whitman's poetry a fact continually overlooked in the more than 100 years that critics have written about the poet and his magnum opus This volume contains an extensive study of Walt Whitman's poetry that explores both Whitman's guiding philosophy and its uses to unlock meaning within *Leaves of Grass* Beginning with a detailed explanation of determinism the author examines Whitman's use of indirection which the poet referred to at times as a game played to evade the reader's comprehension The work seeks to define a philosophy which was in the author's opinion the most significant influence in Whitman's thought and in his art Various poems are examined in depth including *Song of Myself* *Passage to India* and the particularly significant *With Antecedents Gathered* here will be evidence from Whitman's poems and prose and from his notes and quoted remarks enough evidence to show beyond doubt that determinism was indeed his most significant influence An innovative look at one of America's greatest poets **Book Prices: Used and Rare, 1994** Edward N.
