Marianne Moore Poet Of Affection:

Marianne Moore, Poet of Affection Pamela White Hadas, 1977 **Efforts of Affection** Jeffrey Bowman Kindley, 1971

Efforts of affection Pamela White Hadas, 1973 Thesis Washington University *Ideology and Rhetoric* Bożenna

Chylińska, 2009-01-14 The discovery of America and its further development into a modern state and a nation are the clear instance of how ideology and rhetoric are entwined and how they can encompass widely disparate viewpoints The essays collected in this book address the topical issues of modern American Studies cultural difference and otherness gender race and ethnicity class and power They represent new texts and contexts approached through the revision reevaluation and reconfiguration of canons thus accommodating the expectations of the heterodox audience Femininity reconsidered an ideology of passing away in contemporary world of technical development race captured within the framework of identity and gender the rhetoric of blackness approached through racial exploitation American conquest ideology revealed in a mission of Manifest Destiny the 20th century assimilation rhetoric in the relations between Native Americans and the US federal government the conservative ideology and apologetic rhetoric of the Antebellum South the critique of the 21st century American legal system the evolution of the presidential rhetoric which today addresses a large heterogeneous audience all these topics impose a transnational interpretation of American culture which developed as a result of the cross cultural transformation of European culture cultures moulded on American soil to finally become a unique reformulation of the very idea of America itself Criminal Ingenuity Ellen Levy, 2011-05-13 Poetry was declining Painting advancing we were complaining it was 50 recalled poet Frank O Hara in 1957 Criminal Ingenuity traces a series of linked moments in the history of this transfer of cultural power from the sphere of the word to that of the image Ellen Levy explores the New York literary and art worlds in the years that bracket O Hara's lament through close readings of the works and careers of poets Marianne Moore and John Ashbery and assemblage artist Joseph Cornell In the course of these readings Levy discusses such topics as the American debates around surrealism the function of the token woman in artistic canons and the role of the New York City Ballet in the development of mid century modernism and situates her central figures in relation to such colleagues and contemporaries as O Hara T S Eliot Clement Greenberg Walter Benjamin and Lincoln Kirstein Moore Cornell and Ashbery are connected by acquaintance and affinity and above all by the possession of what Moore calls criminal ingenuity a talent for situating themselves on the fault lines that fissure the realms of art sexuality and politics As we consider their lives and works Levy shows the seemingly specialized question of the source and meaning of the struggle for power between art forms inexorably opens out to broader questions about social and artistic institutions and forces the academy and the museum professionalism and the market and that institution of institutions marriage *Marianne Moore* Harold Bloom, 1987 A collection of critical essays on the poetry of Marianne Moore Also includes a chronology of events in her life **Marianne Moore, a Reference Guide** Craig S. Abbott, 1978 The Collected Prose Elizabeth Bishop, 1984-11 A compilation of fiction

and nonfiction includes both previously published and hitherto unpublished stories such as *In the Village The Housekeeper and Gwendolyn* and nonfiction works discovered among the author's papers after her death *Marianne Moore* Joseph Parisi, 1990 Moore poet critic and prolific translator from the French is often considered an inventor of forms a literary modernist who affected writers as diverse as Ezra Pound and W H Auden These essays explore the many facets of Moore's career and are accompanied by a foreword by Maxine Kumin and highlights from the panel discussion from Poetry magazine's centenary celebration conference on Moore Annotation copyrighted by Book News Inc Portland OR *The Norton Anthology of Literature by Women: Early twentieth-century through contemporary* Sandra M. Gilbert, Susan Gubar, 2007 Long the standard teaching anthology the landmark Norton Anthology of Literature by Women has introduced generations of readers to the rich variety of women's writing in English *Love Unknown* Thomas Travisano, 2019-11-05 An illuminating new biography of one of the greatest American poets of the twentieth century Elizabeth Bishop *Love Unknown* points movingly to the many relationships that moored Bishop keeping her together even as life and her own self destructive tendencies threatened to split her apart The Wall Street Journal Elizabeth Bishop's friend James Merrill once observed that Elizabeth had more talent for life and for poetry than anyone else I've known This new biography reveals just how she learned to marry her talent for life with her talent for writing in order to create a brilliant array of poems prose and letters a remarkable body of work that would make her one of America's most beloved and celebrated poets In *Love Unknown* Thomas Travisano founding president of the Elizabeth Bishop Society tells the story of the famous poet and traveler's life Bishop moved through extraordinary mid twentieth century worlds with relationships among an extensive international array of literati visual artists musicians scholars and politicians along with a cosmopolitan gay underground that was then nearly invisible to the dominant culture Drawing on fresh interviews and newly discovered manuscript materials Travisano illuminates that the art of losing that Bishop celebrated with such poignant irony in her poem *One Art* perhaps her most famous was linked in equal part to an art of finding that Bishop's art and life was devoted to the sort of encounters and epiphanies that so often appear in her work *Poetry in the Museums of Modernism* Catherine Elizabeth Paul, 1998 *The American Tradition in Literature* George B. Perkins, Barbara Perkins, 1994 *Cumulative Book Review Digest*, 1986 *The Heath Anthology of American Literature* Paul Lauter, 1994 **Prose** Elizabeth Bishop, 2015-01-13 Elizabeth Bishop's prose is not nearly as well known as her poetry but she was a dazzling and compelling prose writer too as the publication of her letters has shown Her stories are often on the borderline of memoir and vice versa From her college days she could find the most astonishing yet thoroughly apt metaphors to illuminate her ideas This volume edited by the poet Pulitzer Prize winning critic and Bishop scholar Lloyd Schwartz includes virtually all her published shorter prose pieces and a number of prose works not published until after her death Here are her famous as well as her lesser known stories crucial memoirs literary and travel essays book reviews and for the first time her original draft of *Brazil the Time Life* volume she repudiated in its
