media digital and mobile entertainment issues and trends *Networked Music Cultures* Raphaël Nowak,Andrew
Whelan,2016-09-16 This collection presents a range of essays on contemporary music distribution and consumption patterns
and practices The contributors to the collection use a variety of theoretical and methodological approaches discussing the
consequences and effects of the digital distribution of music as it is manifested in specific cultural contexts The widespread
circulation of music in digital form has far reaching consequences not least for how we understand the practices of sourcing
and consuming music the political economy of the music industries and the relationships between format and aesthetics
Through close empirical engagement with a variety of contexts and analytical frames the contributors to this collection
demonstrate that the changes associated with networked music are always situationally specific sometimes contentious and
often unexpected in their implications With chapters covering topics such as the business models of streaming audio policy
and professional discourses around the changing digital music market the creative affordances of format and circulation and
local practices of accessing and engaging with music in a range of distinct cultural contexts the book presents an overview of
the themes topics and approaches found in current social and cultural research on the relations between music and digital
